## Prayers of Hand and Heart

**CHURCH PICNIC**  
**September 17<sup>TH</sup>**

**Community Meal**  
**August 29<sup>th</sup> – 4 p.m.**

Dear Family and Friends of Cedar Falls UCC,

The educational opportunities for adults brochure is out and available for those interested. We will kick off the fall with a workshop led by Rev. Janice Springer called Prayers of Hand and Heart. September 9<sup>th</sup> beginning at 9:30 a.m. and ending at 2 p.m. Then our first discussion group on Wednesday night is September 13<sup>th</sup>. We begin at 6:30 p.m.

I will be teaching Sunday School beginning September 10<sup>th</sup> at 9:30 a.m. Join us on this adventure of growing in faith!

On September 14<sup>th</sup> I begin a program to be certified as a pastoral care specialist. Our first topic is depression. I would like to pass on the information I gain at these once a month meetings with different topics every month to anyone interested. If you have interest in talking about these different topics, let me know and we'll find a time that works for us. We'll see who all may be interested.

In a daily devotional that I read, Richard Rohr reflects on how God "realigns reality inside the only absolute there is: *the eternal love of God.*

Pope Francis is the first pope I am aware of who has had the insight and courage to say that Divine Love is the only absolute, not law, Scripture, church, or moral behavior." Do you have an absolute? What is it? How has that affected your decisions?

Last Sunday at the Gospel Brunch (not counting our guest musicians) we had 8 visitors. Celeste brought 3 of them, 2 were at the Pride Festival and picked up the flyer, and 2 knew people who used to go here though now they either moved away or died. One person has become a friend of this church and joins us for special Sundays. It gives us energy to have visitors.

We are looking for new ways to reach out and invite people to share worship experiences with us. Our next Jazz brunch will be December 10<sup>th</sup> and we might want to think about handing out flyers to some of the bars, restaurants, and other places the Hands of Time play. Some of you have shared that Gospel Brunches and Jazz brunches just aren't your kind of thing. No problem. Share what is ... maybe we can think together how include what is meaningful to you into a special service that you would want to invite family and friends to.

May God's love bring us together and may God's grace hold us together.

We are making a difference where we can and how we can. You can make the church stronger. Invite and bring friends to worship. God bless you! God is awesome! God loves you!

In Christ we serve,  
Pastor Sue

**President's Message  
"RAISE THE ROOF"**

We mentioned in last month's VOICE that there are leaking problems with our flat rubber membrane roof. The rubber membrane roof is well approximately 25 years old. It has gradually shrunk and is beginning to pull loose from the flashing around the edges and at an expansion joint. Generally the material is good in condition except at the expansion joints.

Service Roofing Company has provided estimates for repair and full replacement. The repair involves refastening the existing rubber membrane and installing new membrane flashing. The cost of the repair option is based on time and materials with a not to exceed price of \$5400. The full replacement option is estimated at approximately \$70,000.

The Council has approved proceeding with the repair option. This should provide us with another 5 – 10 years of serviceable life. The full replacement cost provides us with a budget number for planning purposes.

Obviously, we have not budgeted for an expense of this magnitude. We will have

to take an additional amount from the Endowment fund. As we have done in the past for large capital projects we are asking for contributions from the membership to cover as much as possible. Please give strong consideration to donating for this necessary repair.

If you have any questions, please contact me. We appreciate your consideration of this matter and our fund raising for the roof has begun.

Sincerely,  
Larry

**United Fellowship**

September 7, 2017 fall trip to NE Iowa for United Fellowship. Please be at the church by 9:30 a.m. Picket Fence Café, Guttenburg IA. Please join us, we will be gone most of the day. Open to all.

**Morning Circle**

First meeting of Morning Circle September 21st, starts at 9:30 a.m. with refreshments and visiting. We will discuss Job 38:1-40 from the United Church of Christ, Daily Devotional for small group discussion. Be thinking about the following questions: 1. Do you believe people get wiser as they grow older? 2. What are you less sure about today than you were when you were ten, twenty, or thirty years younger? We will also be discussing our program year. I would love to hear your thoughts to the discussion questions even if you can not attend our meeting. – Barbara Kuhlman

## Peace Camp

**Thank you to all those who donated snacks. Thank you Colleen and Aloha!**

**Thanks to the children who also worked each day to pull weeds around the church. Even though they pulled weeds each day, there is many more to pull.**

We are going to continue having quarterly peace camp. The children asked for it. 😊

### Wanted

Would you be willing to be an office volunteer? If you have some mornings free, would you be willing to come to the church and sit in the office? It is so much nicer if a real person rather than a machine answers our phone. We are more welcoming. Let Pastor Sue know if you are willing.

### Cedar Falls UCC Foster Children's Closet (Kaden's Kloset)

Our love is extended to foster families. We will have donations and shoppers by appointment in September, but also starting on the 13<sup>th</sup>, we will have 2 – 5 p.m. open for anyone who wants to drop by and shop or donate.

We need a list of people willing to come in and help sort and organize donations when needed.

If you are able to do this, please give your name to Colleen. So far Cynthia and Colleen are the only ones on the list.

### Buildings and Grounds

The last big storm brought a tree down that had to be cleaned up. This is second time this year that we have had to clear a tree from the creek. Let's hope for no more big storms.

We'll explore prayers from Protestant, Catholic and Orthodox Christian traditions, and also prayers from other world religions. We'll also work with some of the questions, experiences and problems that prayer has raised for us, and we'll explore ways to make our prayer life deeper and more meaningful.
