## Love in Action- Moms

### Food for Thought

Ideally “moms” are love in action. Realistically I know there aren’t “perfect” moms that are always loving or who we want them to be all the time. With that said, I want to lift up all those “moms” who are doing their best to be love in action.

On this Sunday, whether your mother is living or not, remember with love this special woman who gave you life or who raised you. If you have memories that pop into your mind that are troublesome, release them into God’s care. If you have memories that bring a tear or two, let them fall with gratitude. If you have memories that make you laugh, share them and give God thanks.

### **A Mother's Love By Helen Steiner Rice**

A Mother's love is something  
that no one can explain,  
It is made of deep devotion  
and of sacrifice and pain,  
It is endless and unselfish  
and enduring come what may  
For nothing can destroy it  
or take that love away . . .  
It is patient and forgiving  
when all others are forsaking,  
And it never fails or falters

even though the heart is breaking . . .  
It believes beyond believing  
when the world around condemns,  
And it glows with all the beauty  
of the rarest, brightest gems . . .  
It is far beyond defining,  
it defies all explanation,  
And it still remains a secret  
like the mysteries of creation . . .  
A many splendored miracle  
man cannot understand  
And another wondrous evidence  
of God's tender guiding hand.

To all the moms, have a blessed Mother’s Day and join us for worship!

## Happy Anniversary Lorna and Wilbur Heronimus

You are invited to Wilbur and Lorna's 70<sup>th</sup> wedding anniversary on Saturday, May 19<sup>th</sup> from 2-4:30 p.m. at their house at 3865 Wagner Road in Waterloo.

Dear Family and Friends of Cedar Falls UCC,

There is so much in life to celebrate. Please share your love and thoughts with Wilbur and Lorna as they celebrate 70 years of marriage. Though this couple struggles with health issues they are "faith solid". They are a blessing to spend time with and enjoy.

We still have the road construction on University in front of our church. And we still are using Erickson's drive to reach our parking lot. We are easily reached. Check it out.

For our discussions on Wednesdays, we are seeing a couple of M\*A\*S\*H episodes and sharing our thoughts about them. Join us for you will be welcomed and it is a highlight for many of us in our week. ☺

On the second Thursday, I go to Des Moines for a class on various topics in pastoral care. This week it is dealing with abuse. They have been helpful to remind us that people in our church's and community are dealing with a variety of issues. Sometimes we get into specifically how the church can help families that are struggling with certain issues and sometimes it is more specific to those doing pastoral care.

We had our prayer faith retreat last Friday night. We learned about prayer, labyrinths, drums, chants, and prayer beads. Our focus with communion last Sunday was on prayer. Prayer has power and you may be the answer to someone's prayer.

With God's help we can work together to create a congregation that follows Jesus and makes a difference in Cedar Falls. God bless this congregation as we seek to follow Jesus. And please remember to keep this church in your prayers.

May God's love bring us together and may God's grace hold us together. We are making a difference where we can and how we can. You can make the church stronger. Invite and bring friends to worship.

God bless you! God is awesome! God loves you!

In Christ we serve,  
Pastor Sue
