What ANIMAL am I?

Nicholas Harris and Simon Mendez

 Orpheus

Whose **STRIPES** are those?

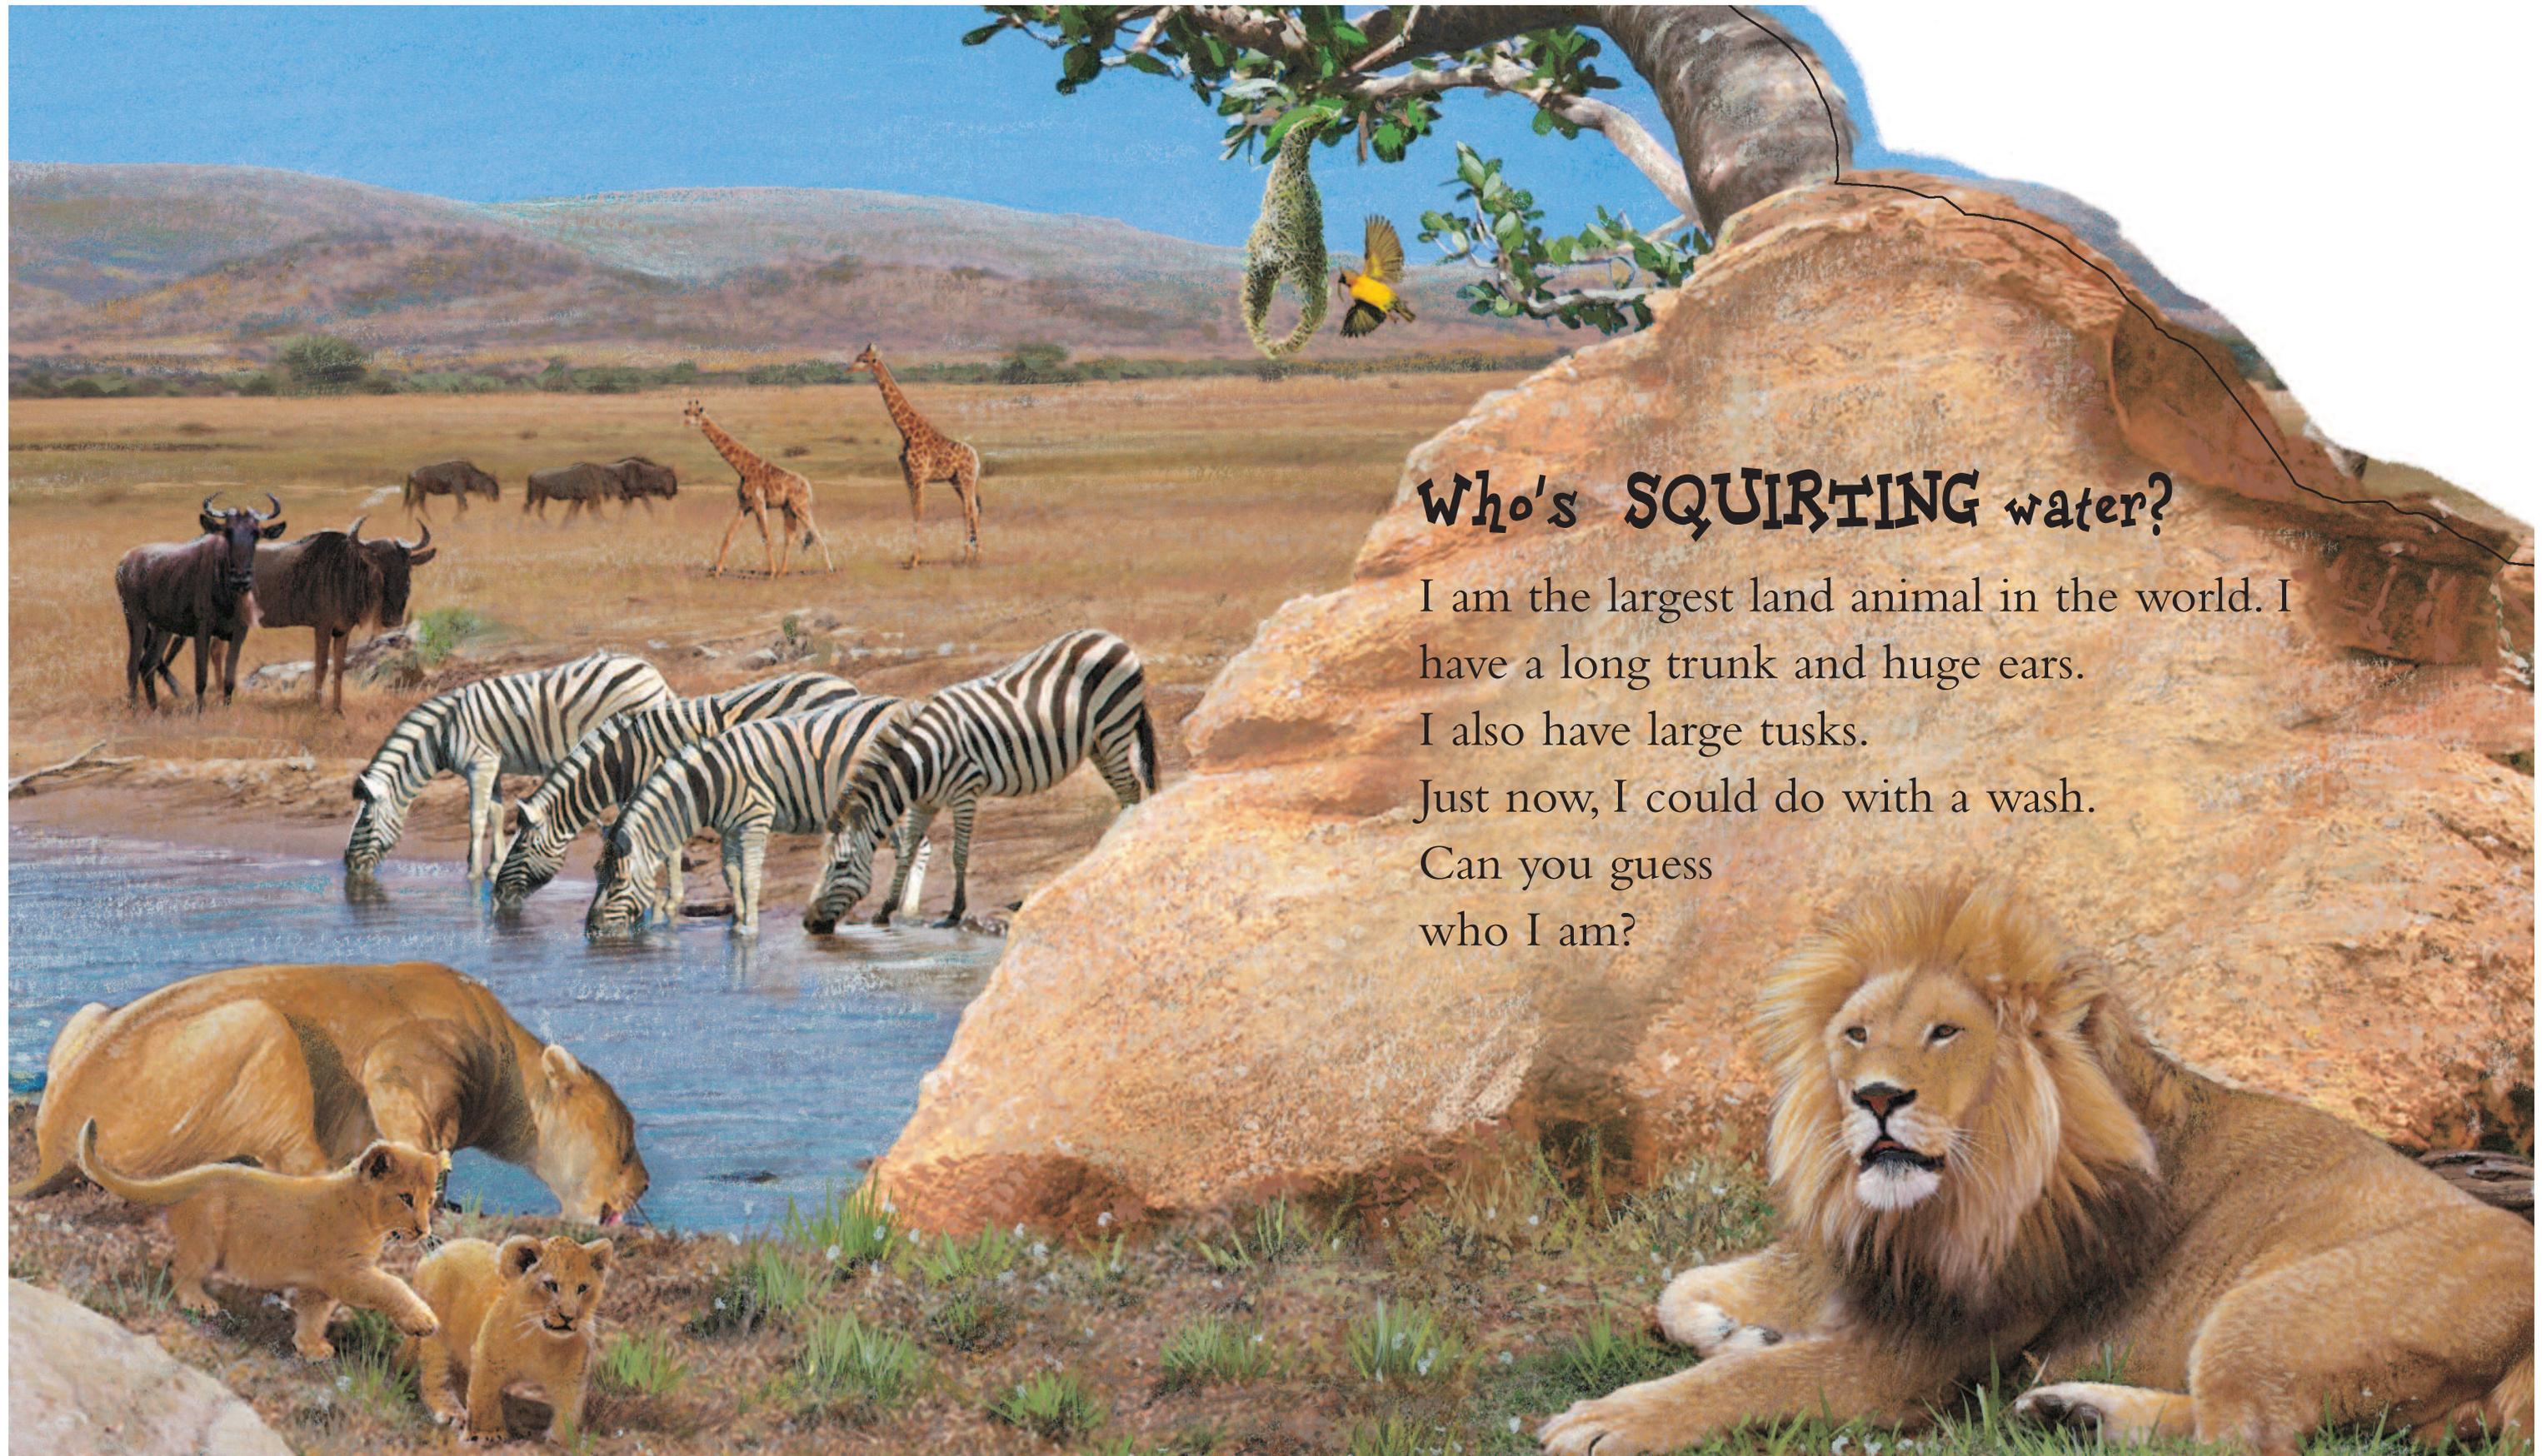

I am the largest cat in the world.
I have powerful jaws full of sharp teeth.
Can you guess
who I am?

A tiger!

When I spot my prey—a deer, maybe—I creep up on it silently. Then, when I'm really close, I pounce. My teeth and claws do the rest.

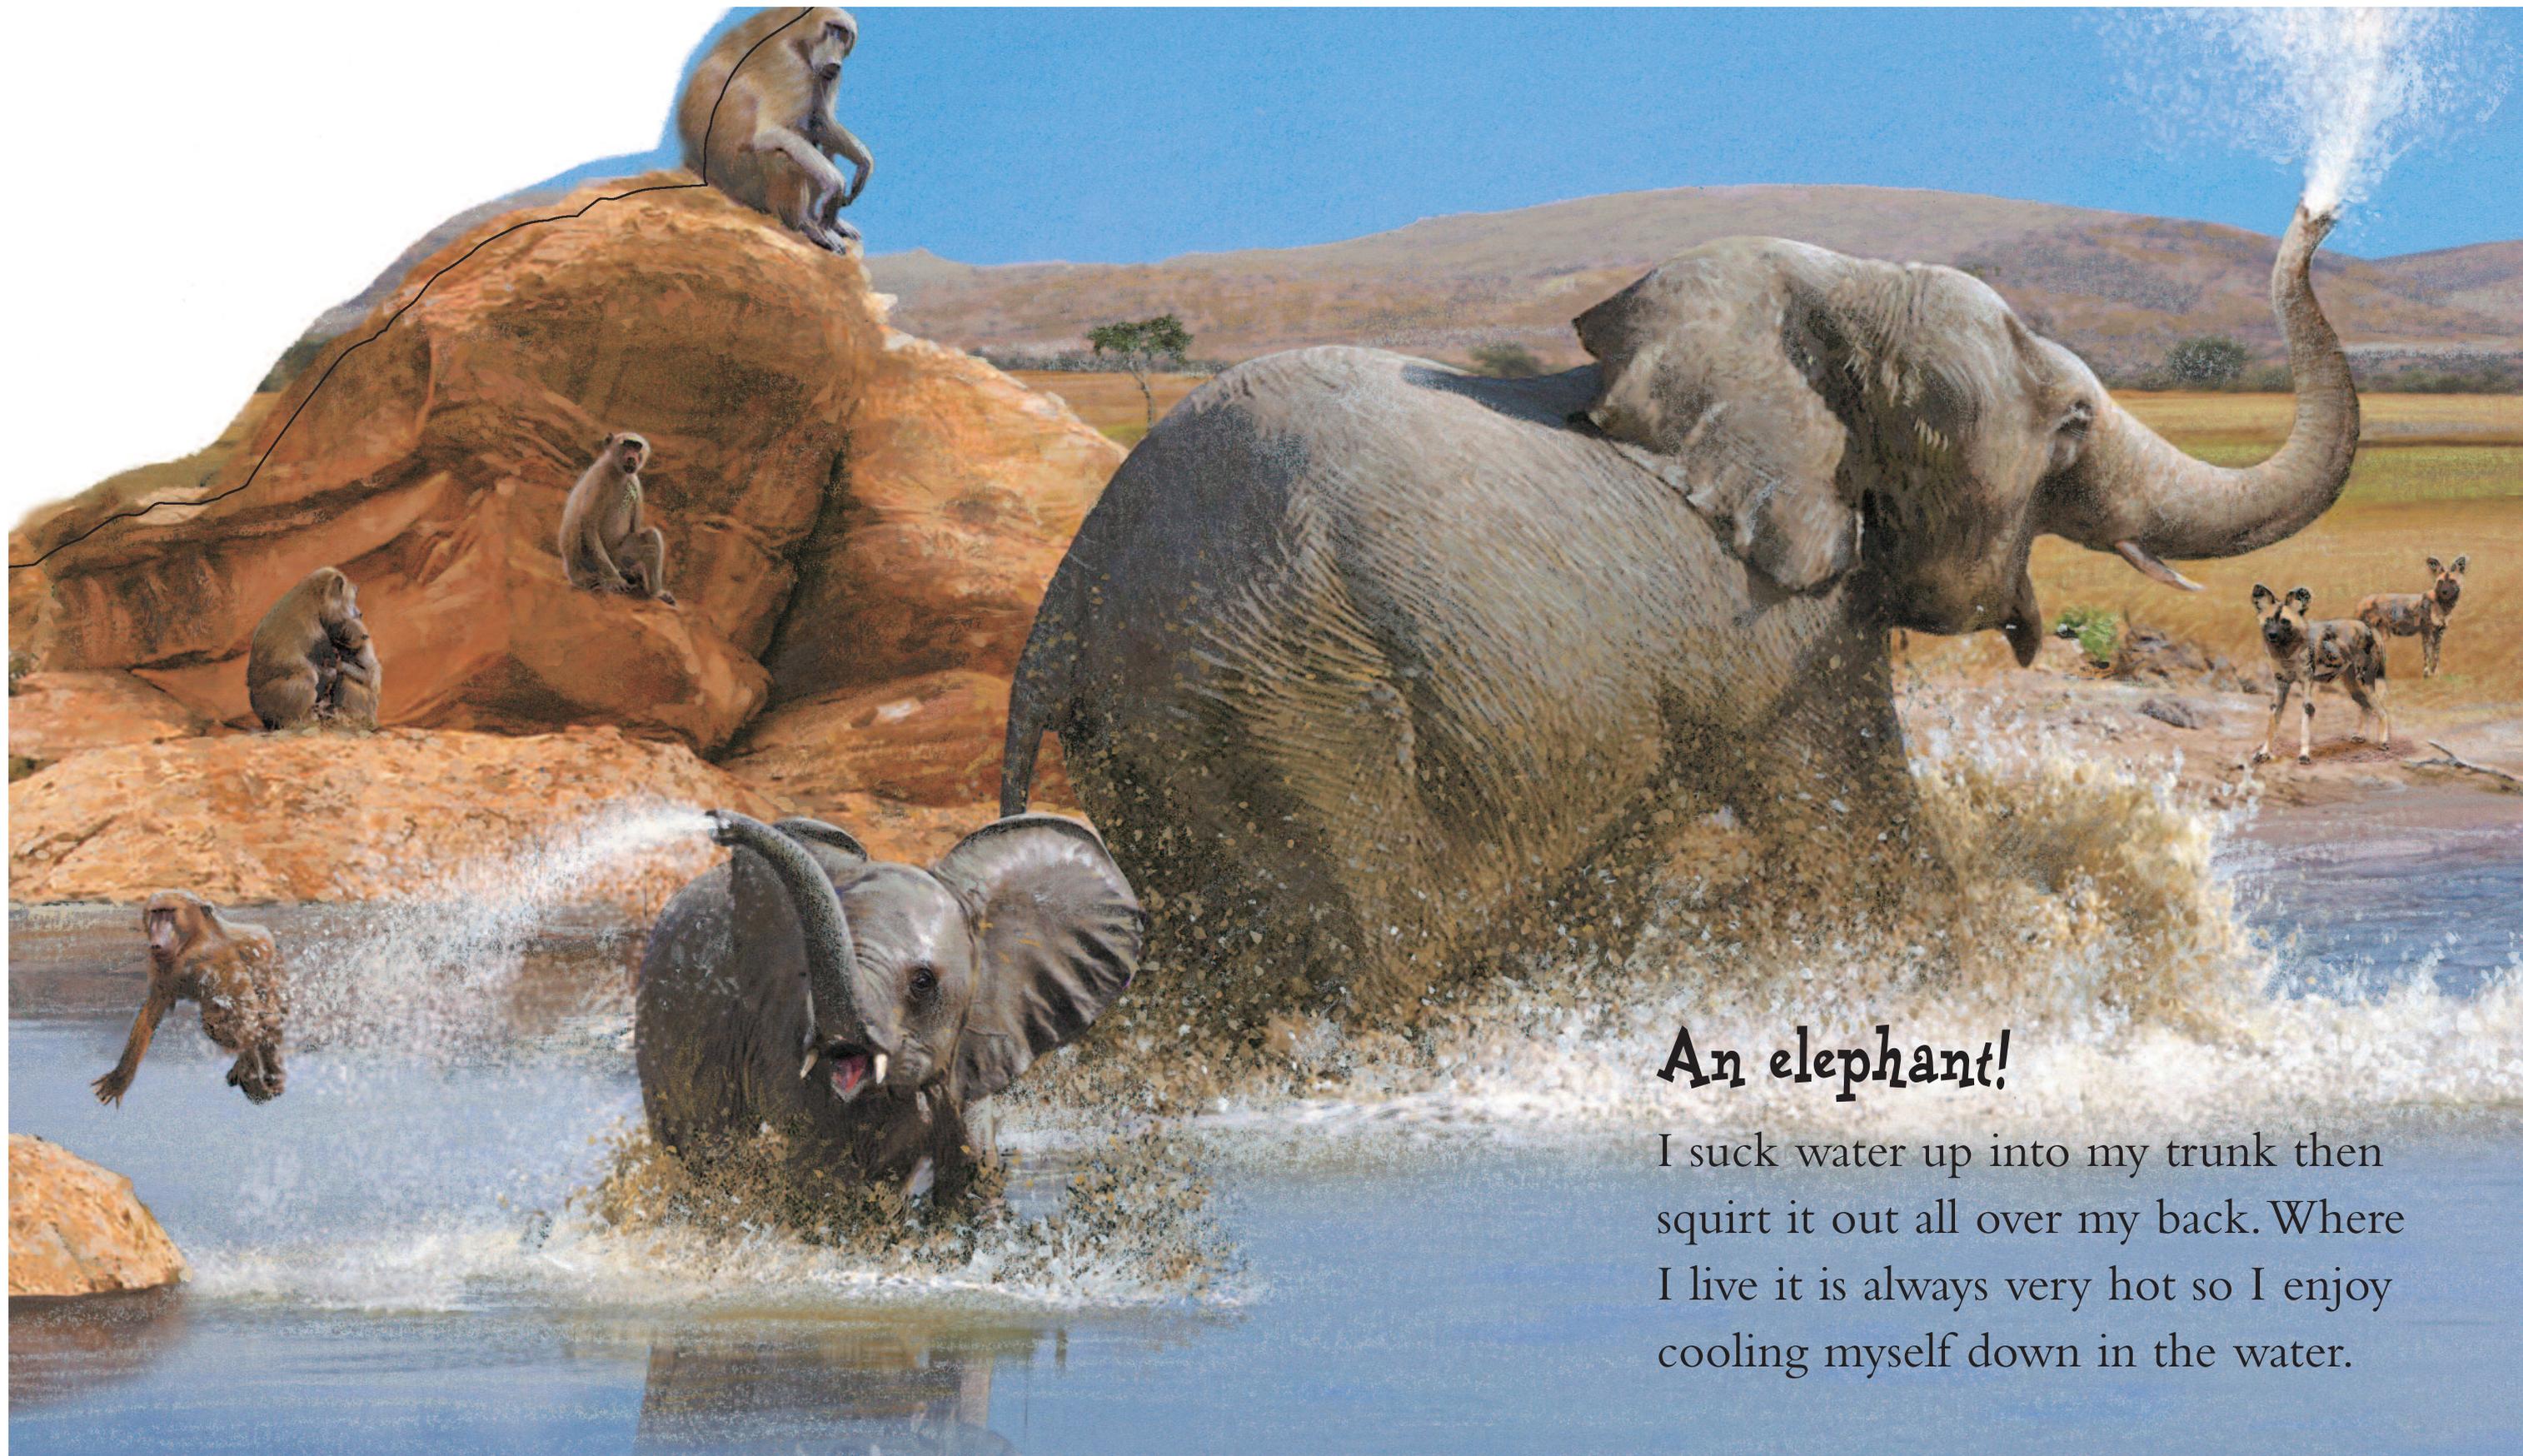

Who's **SQUIRTING** water?

I am the largest land animal in the world. I have a long trunk and huge ears.

I also have large tusks.

Just now, I could do with a wash.

Can you guess
who I am?

An elephant!

I suck water up into my trunk then squirt it out all over my back. Where I live it is always very hot so I enjoy cooling myself down in the water.

Whose **EYES** are these?

I'm a very rare mammal. I live in the mountains of China. My favourite food is bamboo.

Can you guess who I am?

A giant panda!

There's not much goodness in bamboo, so I need a lot of it to fill me up.

Using my paws I tear off the tastiest parts. I might get through more than 60 bamboo shoots in one sitting!
