

FOYF! Focus On Your Future

Let Us Teach You How To Walk Forward
in Life and Succeed

We will Educate,
Motivate and
Inspire.

Quality Experienced Trainers

Established in September 2016, Kelso Consulting Australia provides writing and training services to Australia.

Our qualified and experienced writers and trainers have been working in the corporate world for more than 20 years.

Our Vision is "to be recognised as a trustworthy and proficient corporate writing and training business providing quality training and winning documents to our clients throughout Australia."

For more than five years Maree Moreland has been speaking with young adults, researching and ultimately writing LOL! Lessons on Life—How To Walk Forward in Life and Succeed.

This Youth Program incorporates the lessons in the book with the business training that Kelso Consulting has been conducting for its clients.

What's It All About?

You Are Responsible For Your Future

You have left school and don't know where to go now. Perhaps you didn't get the OP you wanted, or you have no idea of what path you need to go down. Your school has taught you all they could, but now it is up to you to succeed outside the walls of the schoolyard.

Any school leaver or young adult (15-25 year old) who participates in the program will learn core skills to be a successful employee. You will learn to be confident, how to walk forward in life, and find a career that suits you. You will be job ready, and any employer will be lucky to have you.

What You Will Learn

The program will include lessons on:

- Importance of Confidence and a Good Image
- Looking after themselves – being responsible for their own well-being
- Drill down and look deeply into what career options are suited to them
- How To Get A Job
- How To Keep A Job
- Look At All That Money - Budgeting
- Telephone And Email Etiquette
- Customer Service
- Time Management
- Teamwork
- Working Independently
- Importance Of Confidentiality In Business
- What Are KPI's And SLA's
- Performance Reviews

And much, much more.

LOCATION

We are taking bookings now to run a FOYF! Program at a school or community centre near you. We will conduct this training throughout Australia.

AFFORDABLE TRAINING

There is no price that you should put on your future. If you are confused about your career, not sure which path to take then investing in your future is essential. We will provide an intensive five-day program packed with valuable information that will help you to walk forward in life and succeed.

This five-day program is affordable and very competitively priced, at \$495.00 per person.

SOCIAL RESPONSIBILITY

Kelso Consulting Australia is a strong advocate for supporting local charities and community groups.

The FOYF! Program is one that we are very proud and excited to be able to offer to young adults 15-25 years of age. We understand that in every community there are young adults that are at risk. We are therefore willing to offer scholarships to "at risk" students who are unable to afford the program.

Contact us today to find out more information about this.

What's In It For You?

This workshop is designed as a five-day intensive program. We jam pack the workshop with tons of valuable information, lessons, hands-on tasks and teamwork.

You will leave the workshop with clarity on the path you want to take to secure your future.

You will have learned skills that you can put into action immediately to ensure you are job ready.

We will provide to all attendees a workbook and a Certificate of Attendance.

Every attendee also has access to the private FOYF! Facebook group which will offer ongoing support and advice well after you have finished the program.

Invest in yourself today. No one is stopping you, but you.
