

Season of the Due

And let us not be weary in well doing for in due season we shall reap if we faint not. Galatians 6:9

It is very imperative that we know that the Almighty God has not forgotten us and our labor of Love which we have put into the House of God. Never underestimate the virtue of patience while waiting on your “due season”; for it will come. Keep your hands to the plow and don’t look back. Remember it is double or nothing.
