OUR EVALUATION PLAN ...

EduServ does not provide grant writing services or write grants for the 21st CCLC in adherence to TEA guidelines. Our service, from an evaluation perspective, includes our guidance in the following areas: developing measurable objectives, strategic plans by use of evaluative logic models, program design aligned with evaluation goals, an evaluation plan, plan for data collection, timelines for grant deliverables, and more.

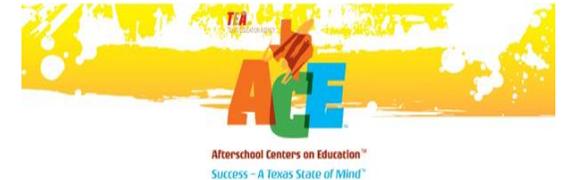

KEY SERVICE BENEFITS

Free Consultations

We customize an evaluation plan for you! You will have choices about what you want and what works best for your district /organization so that we can design a detailed plan that meets your expectations.

We will guide you through the evaluation process throughout the year.

You will benefit from our EduServ, Inc. Network. We will provide you with referrals to other companies in our network that offer services that you may need (Grant Writing, Professional Development, etc.)
