

NAMBOUR LAPIDARY CLUB ANNUAL GEMFEST 2017

Please return completed form to: P O Box 52, NAMBOUR QLD 4560

We would like to invite you to participate in this years' Gemfest. For those of you who have been involved in Gemfest before, we thank you for your past participation in our annual event.

There have been some changes to our club this year. Firstly, my name is Toni Bergemann and I have taken on the role of Club secretary and also the new Gemfest Co-ordinator.

After many years of brilliant work, Lyn Renshaw is finally handing over the reins and is looking to have more time off to go travelling.

We would like you to know that we will do everything we can to make your Gemfest day a great day. Please let us know as soon as you can. And also thank you to those of you who have already booked and paid for your 2017 site.

Your support is very important, not only for our Club but also for the Industry in general. It is important that we continue to showcase Australian made items of Jewellery, stones and minerals, as often as possible through Gem shows. These shows are important to show the public the value of the Lapidary and Jewelry makers in the Community.

GEMFEST 2017

- Trading will commence at 8a.m. - all cars will need to be removed from trading sites by 7.45a.m.

- Public address system to continually direct customers to Traders with specials.
