

NAMBOUR LAPIDARY CLUB ANNUAL GEMFEST 2018

Please return to: P O Box 52, NAMBOUR QLD 4560

or if Direct deposit you can scan and email to NambourLapidary@hotmail.com

The Nambour Lapidary Club would like to Welcome you and invite you to participate in this years' Gemfest. For those of you who have been involved in the Gemfest before, we thank you for your past participation. If you are applying for the first time, we hope you have a wonderful day.

There have been a few changes again this year to the Management team. (Never fear, the fees have not changed.) Our new Gemfest Team leader and Site coordinator is Michelle Burgum. Michelle will be handling all your applications and site allocations.

Michelle has loads of experience in this field. She is currently working at Business Events Sunshine Coast, the local convention bureau, and has had event experience in other roles.

We would like you to know that we will do everything we can to make your Gemfest day a great day. Please let us know as soon as you can so we can book you in successfully.

Your support is very important, not only for the Club, so we can keep running each year, but also for the Industry in general. It is important that we continue to showcase Australian made items of Jewellery, stones and minerals, as often as possible through Gem shows.

These shows are important to show the public the value of the Lapidary and Jewellery makers in the Community.

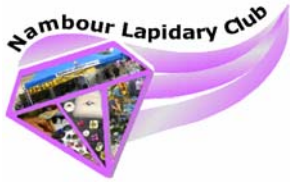

GEMFEST 2018

- Trading will commence at 8a.m. - all cars will need to be removed from trading sites by 7.45a.m.
- All pavilion sites will be under cover. Those choosing the outside perimeter sites should bring a gazebo to protect from inclement weather. All sites are 3.5mx 3m minimum.
- Overnight Camping is also available in the showgrounds, for a nominal fee.
- A dedicated controller will be available to assist traders in each pavilion during setup.
- Electricity will be available to all sites and cost will be shown on registration form. No electrical set ups will be available after the show opens. For safety reasons and no untagged electrical cables can be used.
- Sites in the Main pavilion include power, a table (2.4m or 8ft) and a chair. Sorry you may not use your own table in this pavilion for space reasons.
- Signage will be erected to direct traffic flow through the main pavilion.
- A portable ATM machine will be available to aid stall holders to increase sales.
- Public address system to continually direct customers to Traders with specials.
- Gemfest Flyers will be handed out at the gate with stallholder names and site numbers.

Please return this booking advice as soon as possible, by posting your reply with payment to the above address. Or email an early response to nambourlapidary@hotmail.com

Thank you
Michelle
