## BUILDING MANAGER – INFORMATION, REPORTING PROBLEMS

Pacific Building Management on-site office is just inside the garage doors on Bridge St

- building maintenance, cleaning, rubbish areas
- door key & fob order forms (does *not* keep spare keys)
- resident's pet behaviour (such as ongoing barking)
- loading dock – bookings and access (all large deliveries)
- day-to-day questions and clarification about the rules (such as what you can plant in your garden, where to park in our carpark) / Notice of Compliance

Mon-Fri 8.00am – 4.30pm: 95196263      0408 644 165      [erko@pacificbmg.com.au](mailto:erko@pacificbmg.com.au)

Report problems online: [www.pacificbmg.com.au](http://www.pacificbmg.com.au). Click on the **Blogix** link at top, then at bottom, click 'Go to Blogix'. Enter the user name & password emailed to you after you submitted the Residents Information Form. (White triangle, left margin = menu)

You can often stop a problem that disturbs you by dropping a friendly note to the person concerned, or asking the Building Manager for advice.

## URGENT OUT-OF-HOURS BUILDING ISSUES

Pacific Building Management Head Office 1300 761 610

## STRATA COMMITTEE

The Strata Committee is made up of volunteers who act on behalf of and at request of residents. Eg Building Governance, Finance, Levies, By-Laws, Fire Safety. See the website ([erkoapartments.com.au](http://erkoapartments.com.au)) for contact details, Code of Conduct and By-laws.

Please be respectful & approach others as you'd like to be treated yourself, even if they appear to be doing the wrong thing. Often a friendly note is all that's required.

## LOCKED OUT?

Clockwork Locksmith 1800 256 259 (24hrs) or locksmith of your choice.

## LIFTS

When 'Out of Order', alternate access is via the Fire Stairs. If you do not have a Fire Stair key, arrange a collection time with the Building Manager. Out-of-hours: connect with neighbours on your floor. As Fire Stairs do not comply to standards required for general travel, they are for urgent situations only. SCHINDLER LIFTS -Emergencies: 131 876 (24hrs).

## FITOUT / APPLIANCES

See sub-contractor list distributed to initial owners (refer Building Mgr). Some items may have a group service contract. If applicable, have ready serial & model number.

## SECURITY OF GARAGE STORAGE CAGES

Unfortunately, the cages are targets for thieves. Heavy chains and locks may provide a disincentive, however they & the wire can be cut. Keep valuables or records elsewhere.

## FACEBOOK 'ERKO BUILDING 2043'

Cat or dog sitting / help exercising your dog if you work long hours / furniture to give away / questions about the area...Ask your neighbours, it's a relaxed, friendly forum.

## ERKO SOCIAL (ORGANISERS) / ERKO COMMUNITY GROUP (non-Strata matters)

Contact us via Erko FaceBook: 'Erko Building 2043' to find out about events, including the Get-Together each month and various small projects, such as Terracycling.
