HOSPICE OF Hilo
LIGHT UP A LIFE

DECEMBER 18, 2017

The Hospice of Hilo needed help with their Christmas tree at the Macy’s Store. So for 12 hours, our members went to sit at the table and get some donations and gave donors an ornament to hang onto the tree. The tree was so dressed up already due to the many donors. Sitting at the station were Del Kleckner, Lauren Nishimoto, Harold Uyeno, JP and Liz Field. Thank you for doing service for Hospice.

Description of projects for this month:

- Looking for workers for the Weinberg Project on January 27 at the Easter Seals office in the Shipman Industrial Park. The project starts at 8 am and goes to noon, and we need 25 adults 18 and over. If you did not sign up by now, please sign up now so we can be sure that we have enough food to also include you in our lunch total. At the meeting we were told that the cleaning include the office and the 2 vans that they own. Please bring some gloves, facility or the cars.

- Looking for more workers for the BIIF Swimming Championships trials at Kamehameha School Swimming Pool. The duties you will be doing is the timing for all the swimmers in the races. You will be trained for the job, you will be sitting under a tent, and you will be fed and given water as needed. You will be timing the swimmer and you will go up close to the edge of the pool to watch the hand touch, and so you will know what the time your swimmer did. If you are going to do this job, wear shorts, and slippers, for the swimmer may splash on your pants and shoes. On January 27 at 12:15, we also need help to continue the swim meet for the Championship series. The duties are the same as the day before, but you will be given snacks again and water. Please let Audrey know if you can help.

Aloha Division 22

Hi and Aloha to all, one of my duties is to service the 11 clubs of Division 22 and I have planned to visit the clubs on an official Board visit starting from February 2018. I had sent out the dates of my visits and hopefully it can work out for my schedule. This month, it has been a month of planning and arranging for all the club visits. I will be attending the HCON in Maui with the Key Clubbers and I am sure it will be a super one. Governor Joni Ackerman will be coming to Hawaii and attend the convention along with Division 22 Club visit. I am planning to go to the Mid Year Convention in Sacramento on February 8-10, and Audrey will come along to promote the Hawaii Convention in August. Anyone with any suggestion on anything with the clubs, and or convention, please let me know before February 5.

Congratulations to our club for reaching the Silver Status of the Today Club for 2016-2017, you make the club proud of your generosity to Kiwanis.
