In the event the political subdivision utilizes a tax collection officer, it shall provide a copy of the exemption certificate to that officer. The exemption certificate shall have attached to it a copy of all the employee's last pay stubs or W-2 forms from employment within the political subdivision for the year prior to the fiscal year for which the employee is requesting to be exempted from the tax. Upon receipt of the exemption certificate and until otherwise instructed by the political subdivision or except as required by paragraph .B, the employer shall not withhold the tax from the person during the calendar year or the remainder of the calendar year for which the exemption certificate applies. Employers shall ensure that the exemption certificate forms are readily available to employees at all times and shall furnish each new employee with a form at the time of hiring. The exemption certificate form shall be the uniform form provided by the political subdivision.

B. With respect to a person who claimed an exemption for a given calendar year from the tax, upon notification to an employer by the person or by the political subdivision that the person has received earned income and net profits from all sources within the political subdivision equal to or in excess of \$12,000 in that calendar year or that the person is otherwise ineligible for the tax exemption for that calendar year, or upon an employer's payment to the person of earned income within the municipality in an amount equal to or in excess of \$12,000 in that calendar year, an employer shall withhold the local services tax from the person under paragraph .C.

The employer shall withhold from the person, for the first payroll period after receipt of the notification under paragraph .B, a lump sum equal to the amount of tax that was not withheld from the person due to the exemption claimed by the person under this subsection, plus the per payroll amount due for that first payroll period. The amount of tax withheld per payroll period for the remaining payroll periods in that calendar year shall be the same amount withheld for other employees. In the event the employment of a person subject to withholding of the tax under this clause is subsequently severed in that calendar year, the person shall be liable for any outstanding balance of tax due, and the political subdivision may pursue collection under this Section.

No refunds shall be made for amounts overpaid in a calendar year that do not exceed \$1. **§24-305. Duty of Employers to Collect.**

1. Each employer within the political subdivisions, as well as those employers situated outside the political subdivision but who engage in business within the political subdivision, is hereby charged with the duty of collecting the tax from each of his employees engaged by him or performing for him within the political subdivision and making a return and payment thereof to the collector. Further, each employer is hereby authorized to deduct this tax for each employee in his or her employ, whether said employee is paid by salary, wage or commission and whether or not all such services are performed within the political subdivision.

2. A person subject to the tax shall be assessed by the employer a pro rata share of the tax for each payroll period in which the person is engaging in an occupation. The pro rata share of the tax assessed on the person for a payroll period shall be determined by dividing the rate of the tax levied for the calendar year by the number of payroll periods, established by the employer for the calendar year. For purposes of determining the pro rata share, an employer shall round down the amount of the tax collected each payroll period to the nearest  $\frac{1}{100}$  of a dollar. Collection of the tax shall be made on a payroll period basis for each payroll period in which the purposes of this paragraph, combined rate shall mean the aggregate annual rate of the tax levied by the school district and the municipality.

3. No person shall be subject to the payment of the local services tax by more than one political subdivision during each payroll period.

4. In the case of concurrent employment, an employer shall refrain from withholding the tax if the employee provides a recent pay statement from a principal employer that includes the name of the employer, the length of the payroll period and the amount of the tax withheld and a statement from the employee that the pay statement is from the employee's principal employer and the employee will notify other employers of a change in principal place of employment within 2 weeks of its occurrence. The employee's statement shall be provided on the form approved by DCED.

5. The tax shall be no more than \$25 on each person for each calendar year, irrespective of the number of political subdivisions within which a person maybe employed. The political subdivision shall provide a taxpayer a receipt of payment upon request by the taxpayer.

6. No employer shall be held liable for failure to withhold the tax or for the payment of the withheld tax money to the political subdivision if the failure to withhold taxes arises from incorrect information submitted by the employee as to the employee's

place or places of employment, the employee's principal office or where the employee is principally employed. Further, an employer shall not be liable for payment of the local services tax in an amount exceeding the amount withheld by the employer if the employer complies with the provisions of §24-304.2 and this Section and remits the amount so withheld in accordance with this Section.

7. Employers shall be required to remit the local services taxes 30 days after the end of each quarter of a calendar year.

(*Ord. 194, 11/14/2007, Art. V*)

#### **§24-306. Returns.**

Each employer shall prepare and file a return showing a computation of the tax on forms to be supplied to the employer by the collector. If an employer fails to file the return and pay the tax, whether or not the employer makes collection thereof from the salary, wages or commissions paid by him or her to an employee, except as provided hereafter in this Part, the employer shall be responsible for the payment of the tax in full as though the tax had been originally levied against the employer.

(*Ord. 194, 11/14/2007, Art. VI*)

#### **§24-307. Dates for Determining Tax Liability and Payment.**

In each tax year, each employer shall use his or her employment records to determine the number of employees from whom such tax shall be deducted and paid over to the collector on or before the thirtieth day following the end of each calendar quarter of each such tax year.

#### **§24-308. Self-Employed Individuals.**

(*Ord. 194, 11/14/2007, Art. VIII*)

#### **§24-309. Individuals Engaged in More than One Occupation or Employed in More than One Political Subdivision.**

1. The situs of the tax shall be the place of employment on the first day the person becomes subject to the tax during each payroll period. In the event a person is engaged in more than one occupation, that is, concurrent employment, or an occupation which requires the person working in more than one political subdivision during a payroll period, the priority of claim to collect the local services tax shall be in the following order:

A. First, the political subdivision in which a person maintains his or her principal office or is principally employed.

B. Second, the political subdivision in which the person resides and works if the tax is levied by that political subdivision.

C. Third, the political subdivision in which a person is employed and which imposes the tax nearest in miles to the person's home.

2. In case of dispute, a tax receipt of the taxing authority for that calendar year declaring that the taxpayer has made prior payment constitutes prima facie certification of payment to all other political subdivisions.

*(Ord. 194, 11/14/2007, Art. IX)*

#### **§24-310. Nonresidents Subject to Tax.**

All employers and self-employed individuals residing or having their places of business outside of the political subdivision but who perform services of any type or kind or engage in any occupation or profession within the political subdivision do, by virtue thereof, agree to be bound by and subject themselves to the provisions, penalties and regulations promulgated under this Part with the same force and effect as though they were residents of the political subdivision. Further, any individual engaged in an occupation within the political subdivision and an employee of a nonresidential employer may, for the purpose of this Section, be considered a self-employed person, and in the event his or her tax is not paid, the political subdivision shall have the option of proceeding against either the employer or employee for the collection of this tax as hereinafter provided.

*(Ord. 194, 11/14/2007, Art. X)*

#### **§24-311. Administration of Tax.**

1. The collector shall be appointed by resolution of the political subdivision. It shall be the duty of the collector to accept and receive payments of this tax and to keep a record thereof showing the amount received by him from each employer of self-employed person, together with the date the tax was received.

2. The collector is hereby charged with the administration and enforcement of this Part and is hereby charged and empowered, subject to municipal approval, to proscribe, adopt and promulgate rules and regulations relating to any matter pertaining to the administration and employer subject to this Section, the examination and correction of any return made in compliance with this Part and any payment alleged or found to be incorrect or as to which overpayment is claimed or found to have occurred. Any person aggrieved by any decision of the collector shall have the right to appeal consistent with the Local Taxpayers Bill of Rights under Act 50 of 1998 (municipalities may detail their appeal processes).

3. The collector is hereby authorized to examine the books and payroll records of any employer in order to verify the accuracy of any return made by an employer or, if no return was made, to ascertain the tax due. Each employer is hereby directed and required to give the collector the means, facilities and opportunity for such examination.

*(Ord. 194, 11/14/2007, Art. XI)*

#### **§24-312. Suits for the Collection.**

1. In the event that any tax under this Part remains due or unpaid 30 days after the due dates above set forth, the collector may sue for the recovery of any such tax due or unpaid under this Section, together with interest and penalty.

2. If for any reason the tax is not paid when due, interest at the rate of 6 percent on the amount of such tax shall be calculated beginning with the due date of the tax and a penalty of 5 percent shall be added to the flat rate of such tax for nonpayment thereof. Where suit is brought for the recovery of this tax or other appropriate remedy undertaken, the individual liable therefore shall in addition, be responsible and liable for the costs of collection.

(*Ord. 194, 11/14/2007, Art. XII*)

**§24-313. Violations and Penalties.**

Whoever makes any false or untrue statement on any return required by this Part, or whoever refuses inspection of the books, records or account in his or her custody and control setting forth the number of employees subject to this tax who are in his or her employment, or whoever fails or refuses to file any return required by this Part upon being found liable therefor in a civil enforcement proceeding commenced by the Township, shall pay a judgment of not more than \$600 plus all court costs. No judgment shall commence or be imposed, levied or payable until the date of the determination of a violation by a magisterial district judge. If the defendant neither pays nor timely appeals the judgment, the Township may enforce the judgment pursuant to the applicable rules of civil procedure. Each day that a violation continues or each Section of this Part which shall be found to have been violated shall constitute a separate violation. The action to enforce the penalty herein prescribed may be instituted against any person in charge of the business of any employer who shall have filed or who refuses to file a return required by this Section.

(*Ord. 194, 11/14/2007, Art. XIII; as amended by Ord. 199, 2/9/2009*)

**§24-314. Interpretations.**

1. Nothing contained in this Part shall be construed to empower the political subdivision to levy and collect the tax hereby imposed on any occupation not within the taxing power of the political subdivision under the Constitution of the United States and the laws of the Commonwealth of Pennsylvania.

2. If the tax hereby imposed under the provisions of this Section shall be held by any court of competent jurisdiction to be in violation of the Constitution of the United States or of the laws of the Commonwealth of Pennsylvania as to any individual, the decision of the court shall not affect or impair the right to impose or collect said tax or the validity of the tax so imposed on other persons or individuals as herein provided.

The Township has the option to impose interest on delinquent taxes following a judgment being entered against the delinquent tax payer. The Township chooses the following provision:

Alternative #1—Any tax imposed under §24-401 that is not paid by the date the tax is due shall bear interest as prescribed for interest on delinquent municipal claims under the Act of May 16, 1923, P.L. 207, No. 153, 53 P.S. §7101 *et seq.*, as amended, known as the "Municipal Claims and Tax Liens Act." The interest rate shall be the lesser of the interest rate imposed upon delinquent Commonwealth taxes as provided in §806 of the Act of April 9, 1929, P.L. 343, No. 176, 72 P.S. §806, as amended, known as the "Fiscal Code," or the maximum interest rate permitted under the Municipal Claims and Tax Liens Act for tax claims. This interest rate should be equivalent to the interest rate imposed by the Commonwealth.

The Township reserves the right at all times to collect costs including interest and penalties where the Township is involved in the collection process.
