**FOR OUR CONVENIENCE, PLEASE STAKE OR MARK WHERE ROAD IS TO CONNECT TO TOWNSHIP ROAD**

The terms and conditions embodied in this permit require the permittee to complete this work by the date specified in the permit. Where permittee fails to comply with the condition as to completion of work by the time specified, the following rules will govern.

A. Failure to start work by date specified for completion. Permit will be canceled unless permittee desires an extension of time in which case a supplemental permit may be issued.

B. Work started and not completed by specified date. Permittee will notify Township prior to expiration of allotted time of inability to complete the work on or before the date specified and request an extension of time. Such request shall be accompanied by the prescribed fee.

C. Permittee not desirous of carrying out proposed work on account of change in conditions affecting. Permittee will notify the Township to the date specified for completion that work will not be carried forward, returning the permit with such notice. The fee for inspection of the work will be refunded by the Township provided that they have been notified of cancellation prior to the expiration date.

The fees to be paid under the conditions is in (A),(b) and (c) apply only to permits for which fees are collection in accordance with the fixed schedule.

All notices relative to time extension or cancellation shall be forwarded to the Township which issued the original permit.

All paved streets and roads must be cut before digging. Temporary repairs to be maintained for a period of 6 month. Temporary Area of restoration must be tamped ever 6" at time with 2A stone. Surface to be 2" of cold patch material.

After 6 months, as need to settle Final restoration of 4" of 25 mm base (BCBC Base) must be put down with 1 1/2 " to 2" of 9.5 mm (wearing course). Material for anything 9 sq ft or less but still 6" deep 12 1/2 mm can be used. The edges of the cut will then be covered with seal oil.
