2025 P&C EVENTS CALENDAR

DISCO

Date: Saturday 25 October
Time: 5.30 – 7.30PM
Lead: Trish Ayling
Second: Althea Papinczak

FINAL QKR TICKET SALES: $3170

- 128 x family tickets - $2560
- 61 x 1A/1C - $610
- Approx attendance: 640+
- Although we allowed cash ticket sales at the door, we should continue to promote advance ticket purchases only (not available at the door) to help with planning & managing attendance numbers.

Expenses: $1781 – bar stock, DJ, glow toys, snacks
Final profit: ~$4300

2023 event comparison (QKR ticket sales only):

- Disco: $2740
- Bush Dance: $3450

Volunteer Support:
After a slow start, in the final days leading up to the event, almost all the volunteer roles filled up. While official pack-up/clean-up roles weren't taken via the sign-up sheet, many staff & parents assisted. The hall was cleaned, packed up and everyone vacated the premises by ~8:30 PM.

Learnings for next year:

- The bar was overstocked; approximately half of the purchased stock was returned & refunded
- Excess snacks – reduce by half next year
- Excess soft drinks – reduce by half next year
- Popcorn sales were lower than expected compared to FFD
- 2 food trucks (1 savoury / 1 ice cream), seemed to be sufficient both looked to have good sales at the event
- Glow toys were very popular - 140 items purchased with almost all sold. Consider again for next year.
- Had issues with square readers at the glow stand, diverting many purchases to the bar.
    - One sale failed to process (3 items / $30) however the person had already left the stand and I was unable to locate them
