Tryout Format – Selection Process

We know that tryouts can be a stressful time for athletes and their families. This stress can be significantly alleviated by doing your homework in advance and coming to tryouts with a plan.

The try out will last 2 hours. Girls are expected to come dressed ready to play. Please bring the appropriate gear including knee pads, ankle braces if used, and shoes. Athletes need to bring their own water. No other food or drink will be allowed in the gym.

The tryout format includes a warm up, skill specific drills, and team/competitive drills.

Within 24 hours of tryouts, coaches will offer positions and assemble their teams, where communication is vital. If you are offered a spot on one of our teams, it is very helpful for us to know where you stand. The vast majority of our athletes accept such an offer right away, and when they do this we take them at their word – holding their spot for them and releasing alternates to find a position at another club. If you are not in a position to accept an offer when it is extended, it is important for us to understand your evaluation process as well as the timing of your decision – whether you need to talk with your parents, try out for another club, etc.

2017-2018

Tryout Information

A new policy concerning team selections has been handed down this year by the Evergreen Region. This year, any player who receives an offer from a club must receive that offer in writing. Additionally, once the offer has been made, the player has 72 hours to accept or decline that offer. The club cannot withdraw the offer before the 72 hours! If a player hasn't responded before the 72 hour deadline, the club can move on and extend the offer to the next player on their list.

We will contact all athletes who try out for us, whether selected or not, no later than 24 hours after the first commitment night designated by the Evergreen Region.

Commitment Night

The Evergreen Region splits commitment night into 2 dates.

For teams 14 and below, the first commitment date is Wednesday, November 8. The second commitment night is Sunday November 12.

For teams 15 and above, the first commitment date is Wednesday, November 15. The second commitment night is Sunday November 19.

At whichever commitment date you are invited to attend you will try on uniforms, and your initial deposit will be due.

A player is able to commit to a club prior to the commitment nights listed above if the written offer letter was made and the player chooses to make the commitment. Once the player signs and returns the offer letter, that commitment becomes binding.
