

Alan Jones - The Enigmatist

AlanJones
THE ENIGMATIST

We are the makers of myth and our myths help us define who and what we are.

The Traditional Shaman was versed in the story of their people, spoke in the language of the poet and brought healing to the tribe by exploring and creating mystical experiences.

They were tricksters, wizards, oracles and teachers.

The Urban Shaman is someone who seeks to tread a similar path and create transformational experiences.

Alan is an Arch-Druid with the Reformed Druids of Gaia and Co-Founder of the Cornwall School of Mystery & Magick.

Wizardry

The stories and traditions of the Ancient British Peoples are the homes of wizards, dragons and magick.

In many ways the Wizard, as we read of him or her in these tales, could be seen as the equivalent of The Shaman of the Native Eurasian tribes.

As a Druid within the Reformed Tradition, as a story teller and mystic Alan practices Wizardry.

A student of the stories of Albion and of the Arcane Alan can bring magick and wonder to the individual, through the use of oracles, and to larger audiences through story, drumming and celebration.

Yes this is entertainment, but with a difference.

His studies and interest in the Oracluar Tradition means that he can bring Tarot, Numerology, Palmistry, Geomancy, Aura-Readings and other approaches to gatherings and events.

His interest in Celtic Myth and Tradition

means that he can share some of the tales of our ancestors. Alan is founder of the Fellowship of Merlin, a Knight Templar within the Ancient and Noble Order of Knights Templar and a member of the Fellowship of the Knights of the Round Table of King Arthur.

As a transpersonal therapist he is also able to add something of a different perspective to the telling of tales.

For Events ...

Alan will provide Intuitive Oracular Readings for your event whether that be at a Festival or in some other, more formal hospitality situation.

Festivals ...

Storytelling and Shamanic Drumming Journeys are well suited to the festival situation. Alan has become a regular performer at The Healing Light Festival in Cornwall and The Healing Weekend in Somerset. He has presented talks on aspects of the Mystics Path, as well as Storytelling, Healing and the Western Mystery Tradition.

Tales of Mystery and Imagination ..

A themed evening based upon the stories of Edgar Allen Poe. This is a little more specialised and was premiered in theatres in the South West in 2016.

Alan also presents and An Evening Based upon the work of Elizabethan Astrologer and Conjuror John Dee. This evening was developed for Pengersick Castle in 2014 and has been performed in many other venues since then.
