

# Top Hat Goblins

## ABOUT THE GOBLINS

From reggae to ragtime, funk to phantasmagoria and with a little jazz and Zappa thrown in, **Top Hat Goblins** specialize in a theatrical grand tour of original **Cabaret Funk-Rock**.

This mischievous three-piece is fronted by ringmaster and frenetic vaudevillian **Kurt Schindelka** on searing vocals, guitar and saxophone. In-house wizard/madman **Daniel Deorksen** applies crisply deafening finesse to the drums, bringing the thunder and howling at the moon. Mortals may know him from his own magnificent jazz-rock orchestra, **Two Apple Tobacco**. Also from TAT, bass-player **Jordan Kling** swoops through the depths of Top Hat Goblins, his melodic stylings providing bottomless magic and fiendish funk.

Where can you find **Top Hat Goblins**? They currently spend their time entralling audiences in Vancouver, British Columbia, though they are hatching plans to invade other lands.

Experience the glorious madness. We dare you!
