**Victory Christian Academy
Summer Reading Completion Form**

Signing this form is an indication of a student's good faith effort to read their novel of choice from the Summer Reading List. Reading Cliff Notes, Spark Notes, Online Summaries etc., and or watching a movie version are NOT substitutes for reading the novel. Such activities do not qualify a student as having completed the summer reading requirement nor do they promote the growth in language and imaginative experience that we view as important for our students.

The student must read the selected book this summer and not fill out the report based on having read or listened to the book in the past.
