# Nimue Facials

Nimue facials are advanced professional treatments and are regarded as one of the most significant breakthroughs in treatment skincare. Since its inception over a decade ago, Nimue has earned a reputation for scientific innovation, expertise and excellent results.

As a leader in the field of treatment skincare technology, Nimue has been developed by Professor Aubrey Parsons, one of the top five cosmetic scientists in the world today.

Nimue's advanced professional treatment range has been developed for treating environmentally damaged, problematic, hyperpigmented & interactive (sensitive) skin classifications.

Nimue professional treatments enhance the efficacy of home care products & accelerate the skin rejuvenation process, which delivers dramatic results. Through a professional consultation and assessment with your Nimue skin care therapist, a correct & optimum treatment program will be prescribed for your specific requirements.

## Nimue's active ingredients facilitate optimum skin health through a 4-phase treatment, namely:

- Rejuvenation of the skin - stimulates the skin function and create structural improvement in the skin.
- Restoration of the skin - by regulating any imbalance in the skin.
- Anti-oxidation of the skin - by inhibiting the damaging effects of free radicles.
- Sun Protection - the most advanced sunscreen to reduce and prevent the harmful effects of UV rays.
