

SPONSOR A DANCER

By sponsoring a dancer, you give a child in need the opportunity to be a part of Dancing Daughters Ministry. Families who need financial assistance, request for a sponsor so that their child can participate in weekly classes. When you sponsor a dancer, you not only allow them to be a part of a dance program, but give them the opportunity to learn about God, grow closer to Him through dance, create friendships, gain confidence, and minister to the dancer and their family!

By becoming a sponsor you are changing the life of a young girl and impacting the Kingdom of God
