Day 1: We will begin our three-day adventure by heading north through the scenic countryside to the quaint town of Middlebury, Vermont. En route, we'll stop at the **Vermont Country Store**—a shop known for offering both “practical and hard-to-find” items from all over the country. Enjoy two nights accommodations at the historic **Middlebury Inn**. Welcoming travelers since 1827, this inn offers the perfect blend of historic charm and the modern comforts of a full-service hotel. The Middlebury Inn is within walking distance to Middlebury’s quaint downtown shops, restaurants and attractions. A **delicious dinner is included** this evening at the inn. *Advance entrée choice required: Grilled Beef Sirloin or Shrimp Scampi.* (D)

Day 2: After breakfast, we will visit one of the finest, most diverse museums of art, design and Americana—the **Shelburne Museum**. Over 100,000 works are exhibited in a picturesque setting of 39 buildings. Collections include works by great impressionists Claude Monet, Edouard Manet as well as a prized collection of folk-art including trade signs, weathervanes and quilts. Enjoy demonstrations in the blacksmith and printing shops, dozens of beautiful gardens and a landlocked 220-foot steamboat, the Ticonderoga. Later, we will visit the **University of Vermont’s Morgan Horse Farm**. Horse enthusiasts, history buffs and visitors alike will enjoy a guided tour, the scenic countryside, gift shop and visiting the 40 plus registered Morgans. This afternoon you will have free time to enjoy Middlebury’s downtown area or take advantage of the Inn’s spa services. **Dinner is included** this evening at a local restaurant. *Advance entrée choice required: Prime Rib, Baked Salmon or Cranberry Sage Chicken.* (B,D)

Day 3: Breakfast is included this morning before our mid-morning departure. We will journey through the countryside to ‘the prettiest town of America’, **Woodstock, Vermont**. Here you will have time on your own to dine and stroll the village filled with local farmers, great restaurants, eclectic boutiques and beautiful architecture. After, we will watch **Simon Pearce’s** handmade glassware and pottery come to life at their on-site workshop. There will be time to browse the works of art and shop in their gift shop. We will make a stop at the **Quechee Gorge** for some spectacular views of this natural wonder and visit the visitors center to learn about its history. We will depart late afternoon for our relaxing return trip home with fond memories of our delightful getaway. (B)
