# Outgoing President's Report From Colin Brown

It is with great pleasure that I present my President's Report for the previous twelve months on behalf of our current NSW State Branch of our CCHS.

The importance of this AGM must not be overlooked in this the Centenary year of our Commonwealth Clydesdale Horse Society.

I have taken time to again review my copies of the Australian Clydesdale Stud Book Vol.1-1917 and the CCHS Stud Book Vol 1 first published in June 1924 as a result of the formation of our Society in 1918. A Federal body based upon State Branches in NSW, Victoria, SA. and WA. was published in 1924 based upon the amalgamations completed in 1918. Horses from the previously established Australian Draught Horse Stud Book and the Australian Clydesdale Stud Book were incorporated into this National Stud Book. Given the abundance of genetics available in this the era of the working horse, the CCHS firmly established the Stud Book guidelines for the term 'Clydesdale Breeding' as being 'four top crosses of Clydesdale Breeding' for males and three 'top crosses' for females. This was also underpinned by an Appendix listing of Foundation mares possessing either one cross with a Clydesdale Stallion ie. a Class A mare, or 2 Crosses by a Clydesdale Stallion being a Class B mare.

Given the importance of having Breed Horses free of hereditary unsoundness, our CCHS steadfastly supported a policy that assured the developing quality of the Clydesdale.

Your 2017-18 Committee has successfully continued its mandate of promoting the Clydesdale Breed and contributing to the ongoing governance of our Stud Book and CCHS by the State Delegates to our Federal Council.

This will be my final Report as State President consistent with my acceptance last AGM as an interim appointment. I have had the opportunity to continue my interaction with fellow Committee members who worked together under both Bob Pierce and John Drinnan's time as President. I have truly enjoyed the comradeship of newer members, who have brought both vigour, enthusiasm and skills to our meetings and events over the past twelve months. Special thanks to our Secretary Glenda Bissett who has had another arduous year in her role of support and administration. To all those outside the immediate Committee may I also thank you for your assistance and contributions to the 2017-18 schedule of events. What the various activities highlighted was the demand by owners of Heavy Horses to gather and share their commitment to preserving the skills of previous times.

The success of any State Branch is based upon open discussion, a sincere desire to continually improve, the involvement of a wide range of members who hold their passion for our Clydesdale Breed and the Breed Standards central to our Society.

Throughout my own professional career I have fostered and held a strong belief in succession planning, to ensure the ongoing vitalisation of debate and effective implementation of positive growth and development. When I joined the Society in 1977 I shared the enthusiasm of 'younger members' joining with the experience of people such as Max Fowler OAM, Dave Rees, Dr. Pat 'Stevens, Tim Peel, Ron Judd and Alec Morris who slowly lifted our State Branch out of the doldrums of the late 1950's, 60's and early 70's when our Breed was seen as obsolete.

We are now entering a newer phase in our Clydesdale history. When a younger generation now have to promote our Heavy Horse and preserve for history's sake, the inherited qualities of our Clydesdale horse in the modern arena. We are well past the time when our horses were an integral part of commercial agriculture. Today there must be a reason for the perpetuation of the Clydesdale horse. That challenge will be taken up by members continuing to own, show and apply the Clydesdale both in the Breed ring, Harness and Ridden classes and at Heritage Field Days highlighting the skills of yesteryear, at events such as St. Heliers' and the Barellan Heavy Horse Field Days and the like.

There is a growing wish by members to establish a major Show event annually that combines all our Heavy Breeds. This has been done over the past few years under the governance of various groups.

This concept has been discussed throughout the past twelve months with interim dates and sites established. This has been a difficult task given the availability of dates, currently set down for early June of 2019. It is hoped that with full support of members, fellow Heavy Horse Breed Societies and effective Sponsorship, this concept proves to be central to our annual calendar of events beyond our Royal Show and regional field days.

In the year of our CCHS Centenary, the outgoing Committee leaves the Branch in a good financial footing. Thanks to wise council from our Treasurer John Drinnan, the ongoing benefit of sales of our 3rd Edition of the Clydesdale Resource Book compiled by Tim Peel and successful Branch activities throughout the year. We have been able to further assist our Secretary with the purchase of new computer hardware to enhance our promotional and administrative responsibilities. Thanks to funds raised through our Stallion Service Raffle we were able to assist Mr Ron Brewster of the Bandirran Stud in Scotland to be our Sydney Royal Judge this year. This initiative will be ongoing when Overseas Judges accept appointment through our RAS. Many thanks to Paul Cooper whose stallion was chosen from the list by the winner. Thanks also to our State Patron Dick Adams OAM, who has continued to provide hands on support and guidance throughout the past year at our Branch events and at the Royal.

As the CCHS Federal Vice President, I am pleased to report on the productive implementation and administration of policies over the past year.

My thanks to our delegates who, under the leadership of Robert Ronzio our CCHS President, have offered their valuable time and effort by representing us at this essential level. The NSW Branch has been at the forefront of change at a Federal level over many past decades, notable inclusions being the redefining of the concept of 'purity of breeding' now defined as three crosses of Clydesdale breeding for males and two crosses for females- this also aligned our regulations with the UK CHS Stud Book and further promoted the importation of overseas genetics .

Other initiatives include the establishment of policies governing AI and Embryo Transplants; The introduction of Stallion DNA collection; Continued adherence to a firm policy of Soundness and the development of Certificates of Soundness for all Breeding Stallions; Further discussion on the establishment of a Grading Up programme continues in a positive way with the acceptance of DNA testing of all new female foals being tabled at our September Council. Given the immense costs of importing new bloodlines, I believe that the challenge facing our 'new generation' of breeders will be based upon effective syndication of live animal importation or more effectively, the accessing of imported genetics through AI.

Federal Council have renewed the Federal Constitution to further define the roles and responsibilities necessary in the decades to come. Currently they are establishing the Federal By Laws and Guidelines to assist the management of our State Branches. In recent weeks a Formal Policy On Bullying has been agreed upon to further strengthen our members' involvement and enjoyment in our Society.

I ask you to continue your support of the incoming State Committee. Your needs and wishes can only become reality with your involvement and passion for our Clydesdale Breed being applied with good faith and sincerity.

I look forward to a most productive year for our fraternity of members and wish the incoming Committee all success in your administration and activities in the coming Year.

Colin Brown OAM

# WIN A CLYDESDALE OF YOUR VERY OWN!!!

---

The Commonwealth Clydesdale Horse Society NSW Branch delighted to announce its newest raffle! This year the big prize is a beautiful Clydesdale colt foal donated by Paul & Lisa Cooper of Oscarville Clydesdales!

That's right - win the raffle and you win a Clydesdale!!

Oscarville Clydesdales have donated a beautiful colt by Meadow Lane Stirling out of Oscarville Crystal. He will be gelded and ready for his new owner in May 2019 and will even be entered at the Sydney Heavy Horse Show for the new owner to exhibit if they choose to.

The raffle will be drawn on 13th April 2019. Tickets are \$50 each. To secure your tickets and the chance to own your own Clydesdale, please contact our Secretary Glenda Bisset on 0437 520 588

# DNA Testing of Clydesdale Females

Federal Council has agreed to the DNA testing of Breeding Fillies born in the 2019 season onwards.

This decision has established a base line for all parentage information and provides absolute quality assurance for each foal born from these females in the future.

## **How will it work?**

The breeder of a filly born from the 1st of August 2019 has the option to DNA their animal up until the time that she is used for breeding. Given that most breeders would not join this animal until at least 3 years of age, there is no immediate necessity to do this straight away.

If that female offspring is sold by the breeder, then it must be DNA recorded by the breeder prior to sale and transfer to ensure correct parentage of subsequent foals. This will ensure dependable recording of breeding by the CCHS Secretary and quality assurance of the pedigree.

All breeding Stallions must already be accredited with a Stallion Certificate of Soundness and automatically be DNA tested.

Thus, each parent is DNA tested and all subsequent pedigrees of offspring can be quality assured.

# DNA Testing of Clydesdale Females

## Continued...

### **Who does the DNA test?**

As with the Stallions, the owner would obtain a DNA Kit from the CCHS Secretary and have a Vet complete the test. This can be done at any time up until the filly/mare is joined. This then could be done at any time prior to breeding, but a Vet must complete the initial test.

### **Can I start now by recording the DNA of the Dam?**

Certainly. This would be encouraged as it will be the only time your Vet will be required to take the DNA sample. Any subsequent foals could be sampled by the owner and sent off for recording.

Several Council members indicated that they would commence DNA testing their current 2018 filly foals and breeding mares as they believed that it was beneficial to sales from their studs. An added statement of their professional standards and commitment to the CCHS Studbook.

Again, in discussion, members believed that it would be prudent to complete the testing of the dam early and certainly before foaling just in case the mare is lost at foaling.

### **Do we then require a Vet to DNA test the progeny of the 2019 born females?**

**No.** Because the hereditary base line of the parents is now in place, the breeder, using the DNA kits from the CCHS, is able to take the hair follicle samples themselves and have them recorded.

As more females are recorded it is anticipated that the cost of kits will fall accordingly.

Congratulations to the existing Federal Executive Council who were again elected for the 2018/2019 Year.

Federal President - Robert Ronzio (VIC)

Vice Presidents - Russell March (SA)

Colin Brown (NSW)

### **Best Clydesdale Gelding:**

Headlands Kinmont Willie - J Pierce & A Taylor

## **Clydesdale and Heavy Horse Stallion Raffle**

### **Expression of Interest of Clydesdale and Heavy Horse Stallion Owners.**

**The CCHS NSW branch are inviting the donations of Stallion Service Fee for 2019. If you would be interested in promoting your Stud and Stallion we would love to hear from you. We will promote your Stallion on our FB page and Website. This is a great opportunity to get your Stud name out there.**

We will be running two raffles.

The first raffle will be for Clydesdale Stallions only. The funds raised from this raffle will be used as a contribution to the travel expenses of an International Judge for the Sydney Royal Easter Show 2019 (providing the RAS invites one) and also for the 2019 Sydney Heavy Horse Show Hosted by CCHS NSW.

The second raffle, we are calling upon ALL OTHER HEAVY HORSE BREEDS i.e. Shire, Percheron, Belgian, Spotted Draft, Drum, Gypsy Cob. The proceeds from this raffle will assist in Judge's expenses for the CCHS NSW Sydney Heavy Horse Show 2019.

There will be two draws from each raffle, The first winner of each draw has the pick of the stallions which have been donated and then the second winner will be drawn and will have the pick of the remaining donated stallions. No stallion will be able to be chosen twice.

The tickets will be \$50 per ticket with a limit of 60 tickets in each Raffle.

Breeding contracts will need to be adhered to by the winners and the raffle ONLY COVERS THE SERVICE FEE all agistment, vet, travel etc. will be payable by the mare owner. The service will be for the 2019 breeding season and tickets will be drawn at the Sydney Heavy Horse Show in June 2019.

If you would like to donate your stallion, could you please send us the picture's and information you would like used in advertisements by 30 December 2018 so we can open the raffle by 30 January 2019.

Please contact the Secretary; Glenda on 0437520588 or email [bgdiverse@bigpond.com](mailto:bgdiverse@bigpond.com) or the President Dean and Committee Member Esmay on 02 63735001 or email [demorepark@bigpond.com](mailto:demorepark@bigpond.com)

## CLYDESDALE CLASSIFIEDS

### Collars & Harness Made to Order

Asterisk Horse-collars & Harness manufactures and repairs all types of collars and harness on the premises in the traditional Australian style.

With over 25 years experience making and repairing long-straw collars, and all types of harness from Pony through to Dray-size single-horse harness, and Pair/Team harness (to Work, Dress or Show Standard), we guarantee to supply you with a product of the highest quality.

All components of both collars and harness are brand new, including hames and plough chains.

For enquiries, please contact:

VALE Maureen Drinnan

CCHS NSW would like to extended its deepest condolences to the Drinnan family for their loss!

Much loved wife of John, Mother of Richard & Lyndal, Mother in law of Jo. Nan of Laura, Toby & Emma.

Aged 73 Years

"At Rest with her Lord"

## The Clydesdale Horse Resource Book

The CCHS NSW Branch offers its members the 3rd edition of the *The Clydesdale Horse - A Resource Book*, which is a 'must have' book for any Clydesdale or heavy horse owner. This book includes detailed information on breeding, educating, shoeing, harnessing, working & showing the heavy horse, as well as a fascinating record on the history of the Clydesdale Horse.

*For orders, please contact Glenda Bisset on 0437 520 588 or [bgdiverse@bigpond.com](mailto:bgdiverse@bigpond.com).*
