

# Product Specification Sheet

## KILL ODOUR

A blend of essential oils with a 'bubble gum' fragrance, giving excellent odour absorbing and covering properties.

For adding to cleaning solutions or spraying neat onto affected areas. Not a masking agent. This product 'eats' away bad smells. Can be used for urine and other spillage, smoke damage, vomit, refuses etc. Ideal for use in nursing homes. Will not affect working of septic tanks.

### PRECAUTIONS FOR USE

Test for colour fastness on delicate fibres. Do not overwet fine fabrics: use a fine mist spray. Use commonsense precautions when handling chemicals. Avoid contact with skin. Wash chemicals from eyes and skin immediately with plenty of water, if ingested drink plenty of milk or water, seek medical advice. Keep all products out of reach of children.

### DIRECTIONS

For general deodorising add to cleaning solutions 5ml to 50ml 0024 per litre of water. Dilute as needed for sprayers and fogging equipment. Kill Odour must come into contact with the source of the odour to be able to 'eat away' the bad smell. If required use neat especially in very bad areas.

### CLASSIFICATION

Non-hazardous aqueous based emulsion. pH 6.5 to 7.5.

Product Code: 0024  
Size: 5L
