

Product Specification Sheet

SPOT AND STAIN REMOVER

General purpose stain remover for carpets and upholstery.

Safe and effective for use on a wide range of grease and water based stains. Can be used as a pre-spotter. Use on grease, shoe polish, oil, animal fats, foodstuffs, general spillages etc.

PRECAUTIONS FOR USE

Test for colour fastness. Wipe off polished surfaces immediately. Harmful: may cause lung damage if swallowed. Repeated exposure may cause skin dryness or cracking. Do not breathe vapour. Avoid contact with skin. Avoid release to the environment. If swallowed do not induce vomiting: seek medical advice immediately and show this container or label. Keep out of reach of children.

DIRECTIONS

Blot up and remove all excess spillage. Shake container before use. Using a sprayer or cloth, apply solution making stain damp. With a white cloth work from outside of stain inwards. Repeat if needed but do not saturate beyond base of pile, (especially rubber backed carpets and bitumen backed carpet tiles). If required can be extracted out with a carpet cleaning machine.

CLASSIFICATION

Aqueous and solvent blend of cleaning agents. pH 9 to 10

Product Code: 0037

Size: 5L
