

# The BELFAST Programme

*Building English Language For A Successful Transition*

The BELFAST Programme helps you by:

- Improving your communication skills in English, so that you can get a job, a better job or promotion in the area where you have skills, qualifications and knowledge.
- Giving new opportunities to identify what you need to do to improve your English grammar and vocabulary for work and everyday living
- Helping you understand the job-hunting process in Belfast and beyond.

# English for Health and Social Care Workers

***Building English Language  
For A Successful Transition***

*Improving your English for Employability*

*Belfast Unemployed Resource Centre*

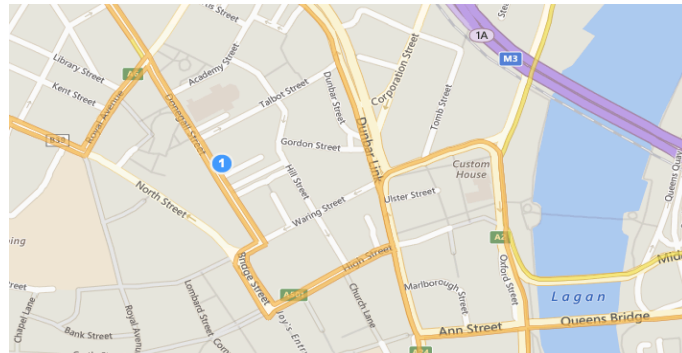

# English for Health and Social Care Workers

***English for Health and Social Care Workers*** is for all health and social care workers who do not speak English as their first language. This includes health and social workers, care home managers, care home assistants, health care assistants, health visitors, occupational therapists and more.

***English for Health and Social Care Workers*** is a practical guide for anyone who works in health and social care and who does not speak English as their first language, but needs to develop their communication skills and knowledge.

## *Cost and level*

Free. Aimed at CEFR B1 level students.

With **English for Health and Social Care Workers**, care providers and employers and workers who do not have English as a first language can be sure of raising their standards of English language skills.

Health and social care workers will gain a better working knowledge of medical terms, different medications and equipment, terms used by service users and policies and procedures used in the care environment.

## *Content*

- Effective communication and building relationships
- Personal care
- Nutrition and food
- Manual handling
- Dispensing and prompting medication
- Health and safety
- Equality and diversity
- Safeguarding
- Difficult conversations
- Professional development

## *You will use*

Richard Cresswell and Ros Wright, 2016 *English for Health and Social Care Workers*, Pavilion Publishing, London 978 1911 028 079

This self-study guide enables health and social care workers to improve their spoken communication, vocabulary, grammar and report writing skills and to deliver the appropriate levels of care.
