Messaging Committee

We are exploring an Ad Hoc Messaging Committee. We are thinking the committee should consist of 5 members representing a cross section of society and possess analytical problem solving minds with a focus on message development and delivery methodologies. At print time Nancy Douglas and Victoria Gonzales have agreed to be active participants on the committee. If you interested or have questions please feel free to contact us at our email address.

Community Captains

We believe Community Captains are an absolute corner stone to growing our grassroots and our bench of future elected officials.

RPW has a new directorate office; "Grassroots Director". It is our understanding this new office is to help reach out to the County Parties and help them grow their grassroots efforts.

Congratulations to Carlton Huffman our former SE Wisconsin Field Director on his promotion to lead this new office and effort statewide.

In coming days we hope to appoint a specific person in the RPWC to spearhead the Community Captain effort in Walworth County.

RPW Field Office

RPW is keeping some of the field offices open. The South Eastern office on Pearl Street in Waukesha is one of them. With Carlton's promotion we have a new Field Director: Ms Kirsten Schmidt. Kirsten can be reached at (262)366-8604 or emailed at kschmidt@wisgop.org. Welcome to Kirsten.
