### Letters to the Editor Group

We have to put together a group of people who are interested in helping counter the leftist in the newspaper. We are looking at holding a session on how to write a LTE and submit the process in ASAP. We are looking for at least 10 people as authors and another 10 – 15 people who don't mind submitting them. So far authors are: Steve & Lori White, John Surinak, Joe Rezek, Pam Wolf and Abi Lange. Please contact Chris Goebel at (262) 903-0572 or Email [rpwalworthco@gmail.com](mailto:rpwalworthco@gmail.com)

### Messaging Committee

The committee is developing our theme and focus about who "WE" are as a party. That theme will then be our current message going into November 2018 elections. We look to expand our brand thru social media, print media, and voice media. Standby for news!

As of this printing there were several predominant Democrats who were in the news saying they would run against Governor Walker in November 2018. All of those people have since changed their minds and announced they won't run. STANDBY!

In regards to firing Tammy Baldwin; there are several people contemplating running that we are aware of: Senator Leah Vukmir, Senator Scott Fitzgerald, Assemblyman Dale Kooyenga, and Kevin Nicholson.

For Attorney General; we understand that previous Hillary Clinton attorney Josh Kaul who is also the son of former WI A.G. Peg Lautenschlager and a super liberal is throwing his hat in the ring before Milwaukee County D.A. John Chilsn could – that's interesting!

We are also in discussions in the Exec about a location and timing of our Election Headquarters.

We'll keep you updated as the election evolves.
