STATE CONVENTION DELEGATES

The state convention this year is in Milwaukee over the weekend of May 11-13. It would be great to have a large contingent on hand representing WALCO!

2018 GOALS

During the Executive Board meeting on November 11th, they reviewed the goals and key processes the members came up with during the November membership meeting.

The Exec spent several hours aligning the key processes under the applicable goal and then started defining some of the critical tasks and measurements.

More work, commitment, by in, and dedication by you the members is still needed to see this process through its development, implementation, and measurement.

We will present all of the work thus far and continue this important effort at our December 7th, 2017 membership meeting.

Please join us and give us your thoughts.
