**REFORMS RESULTS REPUBLICANS**

**Republicans who don't vote - elect Democrats**

**Thank You:**

To everyone who came out and helped with doors, phones and staffing both offices, THANK YOU! You are AWESOME and YOU made a difference!

The Letters to the Editor (LTE) team has done an absolutely incredible job keeping our message in the print media!

We'll provide you some details in regards to your incredible accomplishments this cycle in our December newsletter.

**ON TO NOVEMBER 6<sup>TH</sup>!**

We will make our last big pushes on phones and lit drops on Saturday, November 3<sup>rd</sup> from 10:00am – 4:00pm. We have a list of phone numbers on paper for you if you would like to start at the office and take it home to continue to make the calls. Please meet at the EH around 9:30am.

We are holding Roadside Rallies on Saturday November 3<sup>rd</sup> from 11:00am – 1:00pm. Contact Joe Rezek (262) 607-0404 or call the headquarters at (262)723-7792 (RPWC) to help with the rallies.

**Lit Drops** - Volunteers helping with lit drops may do them as their schedule allows day or night: between October 27<sup>th</sup> – November 6<sup>th</sup>. To help please call the EH (262) 723-RPWC (7792)

**Get Out The Message**

We have been told that the liberals have engaged in a nationwide campaign of lies about pre-existing conditions against Republicans.

The ads you see on TV in regards to pre-existing conditions and Republicans are lies.

Remember when Obama said we can keep our coverage and our doctor? The current lies attack Republicans and cover up the failures of Obama care. **Every Republican on your ballot supports coverage of pre-existing conditions!**

Have you seen the news that Tony Evers plagiarized several years of the budget plans he submitted for his department? He explained it was a staffer who did it.

What would happen if you plagiarized something academically or professionally? Even worse – Evers blamed a staffer – so he as the department head he didn't even know what was in his department's budget! Please tell everyone you know about these two topics.

Heck, Evers is even quoted as calling the 2018 budget a kid friendly budget.

We have to get the right word out – don't let the liberal lies become someone's truth.

### Chairman's Comments

#### **Vote!**

Text or call every likeminded person in your cell phone and remind them to vote. Talk to your friends and neighbors remind them to vote. Give rides to the polls. Volunteer to make calls or do lit drops.

If we show up – we win. WALCO must turn out 30,000 votes for statewide Republicans on the ballot. If we do, generally we win.

On a separate note, in caucus on February 7<sup>th</sup>, 2019 we elect our RPWC officers for the next two year term. If you are interested in taking on a leadership role with the RPWC please let us know right away.

We would like to expose anyone who is interested in serving the RPWC to the duties and activities the Executive Board deals with.

Please let any of the current officers know if you are interested and we will get you rolled in with our activities.

May you have a truly thankful Thanksgiving and may the Lord bless you all with his bounty.

Until next time,

Chris
