Election Headquarters (EH)

We have opened a second Election Headquarters that we refer to as the Whitewater Annex. It is through the generosity of Mr. Larry Kachel that this is all possible. Thank You Larry!

The facility is located at 130 West Center Ave, Whitewater, 53190 - next door to the Coyote Grill.

The Annex will be staffed primarily by people from Whitewater and the details and hours are still being worked out.

This is a fantastic opportunity to go into an area of the county that traditionally votes over 50% democrat. We can make a difference!

Our Elkhorn Election Headquarters (EH) is located in the historic Elkhorn Independent building at 11 W. Walworth in downtown Elkhorn.

Our hours effective 1 October are:

Monday - Friday: 10am – 2pm & 4pm – 7pm

Saturday: 8:00am – 5:00pm

Sundays and holidays: Closed

The phone number is (262) 723-RPWC (7792).

Chairman’s Closing Comments

We as the Walworth County GOP exist for one reason; to get Republicans elected!

This November’s ballot is packed with offices that we must fill with Republicans.

Look what is happening in Washington, here in Wisconsin and right here in Walworth County. We have leftists who sit on unsubstantiated allegations of sexual misconduct for a Supreme Court nominee for 6 weeks and then play “gotch-ya”. If a crime or attack did occur how wrong is it to sit on the information and politicize it? How does that play for actual victims?

Here in WALCO we have crazed people going on private property, trespassing, and criminally damaging campaign signs. We have leftists passing themselves off as “Independents” when they are really members of the leftist organization. We have the leftists protesting our private events.

Did you know the leftover crazies from Act 10 still meet and sing in our state capital?

We have elected and nonelected leftists pushing for public policy on the ballot so as to turnout more voters for them.

Those few examples are tiny compared to what is happening with the attempts by “Progressives”, “Democrats”, or “Socialists” in an effort to RESIST or “... fundamentally change America...” at all levels.

I truly believe if the leftists take control of the House and Senate we will see the impeachment of our President.

If you don't vote and if you don't help get others to vote for Republicans – imagine what our Country, State, and County will look like.

Think about what a Tony Evers governor will look like with Republican held Assembly and Senate.

Think about what is happening to Judge Kavanaugh and what will happen to future nominees if we don't elect Leah Vukmir.

Think about 9 time arrested, and deadbeat dad Randy Bryce as your 1st District Congressman!

The House has passed over 800 conservative and Trump agenda bills. Over 560 sit in the

Senate because of people like Tomah Tammy Baldwin.

Think about our Paul Ryan as House Speaker handing the Speaker's gavel to Nancy Pelosi!

Leftists are publicly protesting individual Republican elected officials when they go out to dinner with their spouse or significant other.

“RESIST” is more than a catch word – it is the “Alamo” for the leftists. YOU can make a difference!

Get involved, help people go to vote. Send text messages to everyone in your cell phone about the importance of voting.

If you are on social media – please post and share Republican information to all your friends.

Write letters to the editor in support of Republican candidates. If you need help let us know we will help you.

Help us with contacting people in their homes and on the phone.

Put up yard signs showing your support for Republicans.

Come to the October 4th meeting and get involved – volunteer to staff either of our headquarters, knock on doors, make phone calls, put out yard signs, and donate to candidates! DO SOMETHNG!

Until next time and hopefully big Republican wins,

Chris Goebel
