

# Spring 2017 Chalk Talk

*Welcome! Spring is finally here. Time flies when you're having fun and we're having a blast! We have been working hard teaching your children safe and progressive gymnastics skills. Gymnastics is a very difficult sport which requires tremendous strength and flexibility. As your child develops his/her skills, the next level serves to challenge them, and it is not uncommon for children to remain in the same level for several sessions. As a reminder: please observe classes from inside of the lobby or by the observation windows. Entering our gym to watch the classes is just like walking onto a soccer field during a game. The gym is our "field of play" please be respectful of our policy.*

## **Important Info!**

**Closings:** The gym will be closed on Memorial Day, **Monday, May 29th, 2017**-Monday morning and evening class participants will receive their make-up sheets and instructions.

**Evaluations:** Evaluations will be handed out to eligible students on week #9. **May 22nd-27th.** Please explain to your children that this is not a pass or fail report, but instead a tool to help assure their placement in the most appropriate level.

## **Last Classes/Parent Observation:**

Mark your calendars! On the last day of the session, **June 5th-10th**, you are invited into the gym to watch your children as they demonstrate all of the skills they've been working so hard to master. Until then, for the safety of our gymnasts and staff please remain in the lobby or observe from one of the observation windows.

## **Raffle Fundraiser:**

Kick off the warm weather with a CRAB FEAST...on us! That's right! The non-profit Parent's Association is raffling a CRAB FEAST! The tickets will be available on 4/10. We thank you in advance for your support of this fundraiser. Our program depends on your involvement to maintain and update the equipment that all of the children enjoy so much.

*Always check our lobby calendar and boards for important dates and special events. We commend you for supporting your child's physical fitness & are thankful to be a part of it! Have a great session!*
