

Dear Parents,

We are excited to have the opportunity for the 2017-2018 school year, to provide Speech and Language and Occupational therapy services to the students of Flaming Sword Christian Academy. Attached to this form you will find a form giving Coastal Therapy Partners permission to screen your child for speech and language concerns and/or occupational therapy concerns. There is a case history form that we would like for you to fill out (see Forms.) This provides our therapist with background information regarding birth, developmental, and medical history. This form will also provide the therapist with information regarding parent concerns.

Christina Nichols will be the Speech Language Pathologist who will be providing speech services. She has ten+ years of experience in both outpatient, clinical, and school settings. Additionally, an occupational therapist will be providing services. If you have any questions or concerns regarding the information provided to you please feel free to contact our office at 910-568-5674.

We are looking forward to the opportunity to work with students, parents, and faculty at Flaming Sword Academy.

Regards,

Christina M. Nichols, M.S. CCC-SLP
Lead Speech Language Pathologist
