

# Jarrahdale

## STACEY'S TRACK

5km loop Class 2 Well defined path. Short steepish single file section.  
Blue Boot Markers. No dogs allowed.

Starts on Chestnet Rd. Track links with Kitty's Gorge trails and on to Serpentine Falls.

- 1 Magnificent Jarrah tree (*Eucalyptus marginata*) on right
- 2 Huge Marri tree (*Corymbia calophylla*) burnt but still living.
- 3 Turn left, then right over forest track.
- 4 Log seats just before boardwalk over brook and marshy area.
- 5 Ancient Grass tree (*Xanthorrhoea preissii*) on right, *Zamia* (*Macrozamia riedlei*) on left.
- 6 Granite outcrop sloping down to brook.
- 7 Bridge over Gooralong Brook and remains of old flour mill weir upstream.
- 8 To complete Stacey's loop, turn left. To join Kitty's Gorge trail continue on across the open area towards the bridge over the brook. The Trail Head Sign is close by.
- 9 Continue on Stacey's and note fallen giant. Walk under or around.
- 10 Grove of Bull Banksia (*Banksia grandis*). Track takes you back to carpark
