JOYS:

Pastor Thomas Q. thanked everyone for their prayers, it helped immensely. He asked for continued prayers for **Joel** who has been back in the hospital.

Ruth Robbins shared a moment she had with the family of **Jacob Jenkins**, an 18-year-old who suddenly stopped breathing. She and Thomas Q. sat in the waiting room with his family. They all gathered in a circle and prayed for both Joel and Jacob.

Bea Kelley also shared her experience this week-she struck up a conversation on a plane with her fellow passenger. She was pleased to find out that they share many things in common, including the love and worship of our Lord. These are moments that Pastor says are the best way to communicate with people and share the Word.

Tom Jones told us that his friend's father was keeping him updated daily with his son's condition and is very thankful for our prayers. **Beau Briggs** was in a motorcycle accident last week.

CONCERNS:

Kenneth Black is very ill right now and needs our loving support in prayer.

Please remember **Debbee Nyman and family** as you pray, as they lost **Tom Nyman** last week.

Joel Robbins was released from the hospital Monday night, and home recuperating. Please continue to pray for him, and also **Pastor and Ruth** as they travel to see him.

Beau Briggs continues to heal, please keep praying for him.

Susie Grizzard should be home soon, but is recuperating and getting stronger at the Heritage Oaks Retirement Center in Corsicana. Please pray for Ms. Susie.

Billy Yarbrough told us of the accident he came upon by the Fairfield State Park. Billy helped **John**, the driver of a truck that rolled over, get out of the vehicle. Pray for John as he recuperates.

Our sister **Judy Byerly** has been diagnosed with Stage 2 breast cancer. Please pray and support her as she and Gene talk with the doctors and find out the strategy they will take.

Carolyn English asks for prayers for her **sister Patricia**, who is having back surgery. She also asked for prayers for **the David Scott family**, as he passed away last week.

It was requested that we pray for **Charlie Ray**, as he is having some health issues.

Gene Byerly asks for prayers for his sister, **Judy Waycaster**, as she had an aortic heart valve replacement surgery. Surgery was successful, and she will be in the hospital a few days.

Ray Olshefski was care-flighted to Typer with congestive heart failure. He is **Bea Kelley's neighbor**. Please pray for **Sharon Hall**, who had back surgery on July 28th.

Do you want or need prayer? We believe in the power of prayer and we will pray for you! For it is written in John 14:13-14: "Whatever you ask in my name, this I will do, that the Father may be glorified in the Son. If you ask me anything in my name, I will do it..." Call the Church Office at 903 599-3080 and leave a message, send us an email at lsumc1@windstream.net or fill out a prayer request card found in the pew chair back pockets then place them in the collection plate. We will pray for you! Remember you can always reach out to a dedicated prayer team in our area via email. needprayers416@gmail.com is available 24/7. Send your prayer request and don't suffer alone.
