**JOYS:**

Happy Anniversary to **Bob and Cynthia Gage** whose anniversary was Sept. 2! They have been married for 39 years.

Word has reached us that **Edna and Pat Markham** are safe and dry and were not reached by flood waters.

**Carole Stubblefield** said it is such a comfort to belong to this church which supported her by prayer during the recent deaths of her brother-in-law and brother.

**Terry Bumpass** reported that their granddaughter who lives in Houston is safe from the flood waters and that her fiancée has a boat and was out rescuing people.

**Tom and Diane Jones** had both of their daughters visiting this morning. **Laura** brought her two little girls. **Emily** who lives in California is expecting a baby in October.

**The Kjellsens** had their daughter, and their son and his family worshipping with us.

**CONCERNS:**

All those affected in any way by Hurricane Harvey need our prayers desperately. We need to cover them with prayers daily.

**Maria Grace's daughter Tamara** had surgery last Friday. We pray for her speedy and complete recovery.

**Cynthia Gage** asks for prayers for her brother-in-law who is in the hospital with congestive heart failure and blood clots. Also prayers are needed concerning his salvation.

**Paul Bagett** will have by-pass surgery on Tuesday.

**Bob Cornish** asks for prayers for **Tom Osoto** who has prostate cancer.

**Jerry Meadows, friend of Pat Metcalf's**, has passed away. He requests prayers for the family.

**Donna Fenton's mother, Betty**, needs our prayers as she deals with a health issue and heals.

Pray for the family of **Lilian Wheelock** who passed away recently.

**Garland & Lisa Bailey** of Corsicana lost their home to fire Monday night.

Please pray fervently for **The United States of America** as we face desperate situations both internal and external. Ask **God** to bring our country peace and wholeness.
