JOYS:

Van Wagon is pleased because after 2 1/2 years and lots of time and effort the addition to our church is finally dried-in. He thanked **Joe Hill** for all he has done to help us with this addition. **Vic Rice** reported that **Sue** is healing well. Also he is happy to have **their daughter** visiting with them. **Pam Johnson** thanked us all for the prayers and cards and said that she is recovering well from her recent back surgery. **Carole Stubblefield** reminded us that we should all be grateful to our volunteer fire fighters and pray for them and thank them when we see them.

It was a joy to have **Linda and Dennis Little** visiting and worshipping with us again!

CONCERNS:

Please pray for **Bob Cappallo** as he will have thyroid surgery at Baylor Grapevine on Thursday.

Carolyn Draper reminded us to continue prayers for **Don Hannah** as he is still in ICU and is having seizures. Also, **Carolyn** will be having surgery soon.

Prayers are needed for **Joanna Fritz' friend Doris Horn**. She had pancreatic surgery, the Whipple procedure, but it did not work. Her cancer has spread. She is having trouble accepting that fact.

Pray for **Judy Snowdon's sister-in-law** who is near death.

Ginger Moody is suffering with bad back pain and would like us to pray for her relief from pain.

Terry Bumpass said that now since the doctors have said **Dudley** can no longer drive, their whole life has changed. Many people have offered rides to Dudley, but it is hard to ask for help.

Dianne Watson has asked that we continue praying for **Al Watson**. Al had back surgery and is home, but the road to recovery is long and painful. Please remember Al when you pray.

Dan Gilman, friend of Tom Jones, had two brain tumors removed and is still in the hospital. He needs our special prayers this Easter season.

God Bless America and help **our country** to be open to change for the benefit of all.

ARE YOU INTERESTED IN WORKING WITH OUR CHILDREN'S MINISTRIES? If so, we are glad! *We keep all children safe while they are here with us.* All staff have special training—it requires completion of an online course with a small test (don't worry, you will pass it!). We also interview all workers and complete a background check. It is not hard, does not take a lot of time, and you do not have to be computer-savvy to take the course. You can come in and use the Church's computer. Become MinistrySafe-certified and work with us!

Look! Even Mr. Hank sat in on Ms. Merle's Children's Sermon last week. The children got to "walk the Holy week" starting with Palm Sunday and ending with Easter. Pretty interesting stuff.

The Bus Brigade met last week, distributing **71** baskets and eggs to school kids off the bus, and to those home-schooled, and also a few toddlers. The Next Bus Brigade is scheduled for Apr 19th. Make some plans to come and help!
