JOYS:

Bob and Kay Cornish announce their joy over the birth of a **new grandson!**

Susan Waltrip's niece heard the heartbeats of both the **twins** she is carrying which brought great joy. Her niece thanks us all for our prayers.

Pat Metcalf reported that the **Streetman fire department** had a very successful fund-raising event.

Judy Snowden told us how well the **Pokeno and salad dinner** turned out Thursday night

Thomas Q. thanked the **Congregation** for their faithfulness in praying for others.

Van Wagnon was in church this morning after having suffered a major cut in his arm from a grinder. We thank our **Lord** that he was not injured more seriously. As **Terry**

Kamp also cut himself (requiring 11 stitches) with a power tool, **Kay Kamp** reminded

us of the conspiracy of power tools to cut our members!

It was a joy to have **Avery Hughes**, who is battling cancer, with us in worship.

Dudley Bumpass's heart catheter procedure went well, with no signs of blockages or damages! Dudley has been given the OK to drive during daylight hours and is pleased as punch (so is Terry)!

Terry Cowan's pacemaker procedure went well. He indicates that he is a walking wonder of Blue Tooth technology!

CONCERNS:

We are all grieving the loss of **Carolyn English**. Carolyn passed away Tuesday afternoon after she and Royce were in a car accident. **Royce had no injuries**. News of Carolyn's service will be forwarded as we receive it.

Please keep Royce and family in your prayers.

Terri Blank's brother, Rick Habecker, was killed in a car accident recently. Please remember Terri & Ken and the family in your prayers. Also, we pray for travel mercies for Terri & Ken.

Tom Hecker's friend Jay Ammons has leukemia and needs our prayers. He also has a **sister-in-law, Carolyn Williams**, who has osteoporosis and would like prayers also.

Pray for **Carole Stubblefield** who has a very bad head cold and sinus involvement caused by allergies.

Tom McKinnon a close cousin of **Kay Cornish** is suffering from brain cancer and needs our prayers.

Please pray for **Van Wagnon** and **Terry Kamp** as they heal from their wounds.

Bob and Betty Stample, who are missionaries, had a daughter **Debbie** who died from brain cancer. They need our prayers.

Pray for the continued healing of both **Terry and Dudley Bumpass**.

Carolyn Draper asks for prayers for **Tom Cottar, her nephew**, a preacher in Pflugerville, and has an award-winning band.

Tom Jones asks for prayers for **L.T.** who is suffering with double blastoma brain cancer. He has had successful surgery and he thanks our congregation for praying for him. He has a long way to go, but has a very positive attitude about his future.

Remember to pray on **Thursday, May 3** which is our **National Day of Prayer!** Pray for unity for America!
