JOYS:

Brad Emsley's birthday was today and we sang Happy Birthday to him!
Lynda Mitchell was joyful that **her mother** was worshipping with us today.
Kay Cornish is grateful that their daughter **Sherri's** pneumonia is gone and she can start on her infusions.
Terry Bumpass praised **Betsy Metcalf** for being one of the angels in our church. Betsy rearranged her work schedule so that she could drive Terry to a medical procedure in Athens.
The Byerly's granddaughter Raelynn served as our acolyte today under the tutelage of **David Rist**.

CONCERNS:

Mary Schutz asks for prayers for her cousin **George Bigham** who had a heart attack.
Billy Bankston reported that **Leon Mobley** had a procedure where a heart valve was massaged and now his blood pressure is too high. Please pray that things will soon be back to normal for him.
Maria Grace would like prayers for travel mercies as she drives **Layla** to camp. Also she would like prayers for the **Warble Family**.
Judy Snowden would like to have prayers for her brother **Ron Riha**. He lives in Ft. Wayne, IN and she was able to have a conversation with him which was a blessing as he has Alzheimer's Disease.
Vic Rice had two concerns: **Dick Schultz**, a friend, has a blood clot in his lung and cancer. Also his great-grandson **Hunter Baird** 3 1/2 years old who lives in Houston is having difficulty breathing and will have surgery. [Note: Sue indicated that the procedure went well. Praise God!]
Please keep the **Horner Family** in your prayers because **Lyle Horner's brother** died and then his **mother** died.
Kelly Beck, a friend of **Diane Jones' daughter** who is a young woman with three little boys has swollen lymph glands on her head.
Continued prayers are needed for **Jay Suggs** to have strength to endure his illness.
Phil Draper asks that we pray for **Carolyn** that she be able to have a stimulator to help with her pain placed in her back permanently.
Bob Cornish's niece Jill Rogers has a rare lung disease and needs our prayers.
God Bless all the workers who faithfully show up to work on our new addition in this record-breaking heat!!
Please, **dear Lord**, watch over **Our Nation** with all the craziness that is going on in the **government** and **society** as a whole.
