Work continues on the new Fellowship Hall with finishing touches on the wiring & the installation of the ductwork. We thank God for Van Wagnon and his tireless crew as they work in HOT conditions on our new room!

Hear Ye

Thursday, August 2nd was our last Lunch, Learn & Play session this summer. Our volunteers have provided a nutritious lunch, reading sessions, and lots of play each week to area children this summer. Additionally, each child left with a goodie bag of food items to take home to their family. Pictured here is play time-Merle Hughes provides each of the children with some great toys. Each child also was presented with a book of their choice to take home. Thanks to the Community Care Club, the Hardware Store, River of Life Food Bank, the Retired Teachers Association and countless others for their generous donations of time and funds to make this project viable. We will have a debriefing session on Monday, Aug 6th at 1 pm to plan next year's sessions!

JOYS:

We welcomed back **Jan and Bill Collins** who used to be members of our church and are now back with us again!

Joanna Fritz is joyful because her son **John Paul** will be home for five days before he starts his third year of law school. John Paul has been elected to the Law Review at his law school in Wyoming and is doing well.

Mary Schutz has enjoyed working in our school summer lunch program, **Lunch, Learn, and Play**. She invited all who have contributed to the program in any way to come to the final session on Aug. 2.

Carole Stubblefield considers herself blessed as she celebrated her 81st birthday this past week. She is in good health and loves her church family.

Leon Mobley thanked everyone for their prayers during his heart issues. He reported that he is doing well but would like continued prayers!

CONCERNS:

Ruth Robbins asks for prayer for a 13- year old child named **Kendall** with a severe foot injury and a breakfast hostess named **Donna** from Freeport, Maine who is facing serious liver surgery.

Joanna Fritz would welcome our prayers as she interviews candidates for two positions in the Corsicana Chamber of Commerce. Pray for wisdom for her to discern who the right candidates are. Please pray for **Sharon** who lives in The Woods who is battling cancer.

Tex Schutz wants prayers for his cousin **Kenneth Friedel** who lives in Houston and whose cancer of the jaw has returned.

Please pray for **Billy Yarbrough** as he considers whether to take a new job.

Prayers are also needed for **Cassie Yarbrough** as she is very depressed, lonely, and down right now as her husband's current job demands he be gone from home for long periods of time.

Continue to pray for **The Metcalf's son Charlie** who is still looking for the right job.

Sam Finley has had another stroke and needs our prayers for a full and complete recovery.

Bea Kelley's sister-in-law Sandy Jones has breast cancer. She had a lumpectomy and it did not get all the cancer, so she will have to undergo further treatment.

Kelly Beck, friend of **Diane and Tom Jones' daughter Laura**, does not have cancer! It was a bad case of shingles. Pray for her relief.

Susan Waldrip's son-in-law Nicholas Faquer needs our prayers. Also, **Susan's daughter** is pregnant with her second set of twins. Also pray for **Sherri Robinson**, a good friend in Dallas who has been in the hospital going on her second week. They can't seem to diagnose what is wrong with her. Keep **Noah Bankston** in your prayers as he is a young man who has lost his way and is very depressed. Noah lives in Ft. Worth.

Thank you, **Lord**, for the outstanding music **our choir and the St. Elmo Sound** provided for us last Sunday! **St. Elmo Sound (Bob Gage, Cathy Kjellsen, Joanna Fritz, and Janet Martin)** provided a beautiful call to worship and **Cynthia Gage** performed a lovely solo during the offertory anthem.

God, please bless all those who are working on the new fellowship hall. Keep them physically safe, mentally alert, and spiritually together.

Bible Study Starts August 15th!
