# Hear Ye

**Our New Banner**, lovingly made  
by Sue Rice (held by Joanna Fritz & Sue  
Rice), was presented to the congregation on  
Sunday, Sep 9th by Sue Ander.

**September 16, 2018**

**Lakeside United Methodist Church**

**515 FM 416, Streetman, TX 75859 • (903) 915-4754**

**JOYS:**

**Vic Rice** said it is a joy to have **the choir** back singing again after their summer break!

**Carolyn** also told us how the doctor and the nurses prayed with her before her surgery. She saw **God's Hand** in it all.

**CONCERNS:**

**Waymon Hughen** had carpal tunnel surgery this morning! Pray it all went well.

**Carolyn Draper** encouraged us all to **pray** every Sunday for the world.

**Steve Brock**, a resident of the Wilderness, had a minor car accident. He was hospitalized with pneumonia. He has had a heart pacemaker installed. Please pray for him.

**Terry Bumpass** asks for continued prayers for her son **Matt**. He is out of the hospital, but his problems continue.

**Merle Hughes** told us that **Ethan Avery Hughes**, her grandson, does not have bone cancer as they first thought. Instead the doctors suspect leukemia or lymphoma. When the diagnosis is finalized he will undergo aggressive treatment.

**Merle** asks for prayers for herself as she is wearing a heart monitor and is on two new medications.

**Janet Martin** requested prayers for **Zanada Schoppert** who has multiple medical issues, one of which has caused her to lose her voice.

**Pam Johnson** would like us to remember **George Robinson's son Case** who was injured in a 4x4 accident. Case passed away last Monday and his funeral was yesterday. Please pray for **Case's family**.

**Cathy Kjellsen** asks for prayers for travel mercies as she and **Ron** go on a pilgrimage to Israel.

**Charles Knight** has had some cardiac problems, please keep him in your prayers.

**Sonny Matthews, brother-in-law of Bea Kelley**, is very ill. He was in hospice, expected to pass away and tricked them all by regaining his health. Please pray for his continuing improvement.

Pray for **Connie Wolf**, as she undergoes some serious medical procedures.

Thank you, **Lord**, for the **cooler temperatures** and the **rain!**
