Here is the latest from UMCOR on Hurricane Florence:

The United Methodist Committee on Relief (UMCOR) has already mobilized in response to these natural disasters.

UMCOR has already awarded \$10,000 in emergency grants to both the North Carolina and South Carolina Conferences for immediate use in response to Florence.

UMCOR also reports that both conferences are as prepared as possible to respond to the potential damage caused by Hurricane Florence and is asking that those wishing to assist to ***please not self-deploy***. Even those who are trained and badged ERTs need to wait until a formal call is put out by the conference and/or your district ERT leaders.

Cleaning Kits, Tool Trailers and other supplies have been strategically placed throughout the region. Moreover, experienced Early Response Teams (ERTs) and Disaster Response Coordinators (DRCs) are prepared to bring supplies into affected areas and begin cleanup and assessment for long-term assistance when conditions are safe for entry.

For more information please see the Central Texas Conference website at: <http://www.ctcumc.org/>

A Note from Your Outreach Committee Co-Chairs:

As we are approaching the end of the year, it time for us to choose where we would like to donate our funds dedicated to "Special Giving".

We will be giving to the Methodist Children's Home but we would also like to hear from you for other ideas where a donation would be helpful as they help others.

We appreciate your input as we strive to reach as many organizations as possible.
