**Van Wagon's friend Dale Henderson** has had his surgery and now is doing fine having received a brand new bladder.

**Merle Hughes** shared with us that her **grandson Ethan Avery Hughes**, is home from ICU. She plans to go to watch football with him! **Merle** also told us how proud she was of the behavior of four of our Sunday School children at a recent function at the Baptist Church. She credited the positive influence of Sunday School teachers **Cynthia Gage, Carole Stubblefield, and Sandi Davis** as contributing to their good behavior.

We were happy to have **Janet and Tom Hecker** back worshipping with us after a long string of medical issues. They thanked the congregation for all their cards, calls, and support during their absence.

**Cynthia Gage** thanked the congregation for their prayers and sympathies on the death of **John Gage, Bob Gage's brother**.

**Steve Brock** is out of rehab and has a pacemaker and is doing well!

**Susan Waldrip** told us how much fun **her nieces** had at the SOVFD Fish Fry.

**CONCERNS:**

Please pray for **Susan and Jay Suggs**. **Jay** is very sick with a terminal illness. They both need us to remember them and pray for them daily. Jay devoted a lot of time to the **Kairos Ministry** after his retirement.

**Bob Cornish** will be seeing a corneal specialist to determine treatment for a corneal problem in his right eye. Please pray for his ability to retain the vision in that eye.

**Ed Scruggs** told us that his friend **Ken Hayes** is going to be put on hospice.

**Janet Martin's mother-in-law Mary Lois Martin** has had a stroke and **Janet and her husband Dick** have gone to be with her.

**Cassie Yarbrough** told us that **Billy Yarbrough** was in a wreck that totaled his car. She would like us to pray that he will go to the doctor to make sure he has not been hurt.

**Susan Waldrip** would like us to pray for **Sarah Hetler**.

Please pray for **Barbara Bankston's father**. He is currently living with **Barbara's sister (his caregiver)** and he has been put on hospice. Both her father and her sister need our prayers as they go through this time.

**Maria Grace** needs prayer to restore her to good health.

**Ginger Moody** asks for prayers for a family issue with one of their daughters.

**Tom & Connie Wolf's daughter, Vickie**, is hospitalized from complications from ulcerative colitis.
