#### JOYS:

Many thanks to **Bob Gage** for singing "Amazing Grace" for our call to worship. It was great.

**Thomas Q.** told us we are a wonderful congregation & he is grateful for us. Thank you, **dear Lord**, for the beautiful clear skies and sparkling day!

**Betsy Metcalf** thanks everyone for their prayers as she deals with a herniated disc.

#### CONCERNS:

**Terry Bumpass** had to be hospitalized and is home. Please pray for her.

**Connie Wolf** needs your prayers as she deals with health issues.

**Sherry Cappallo** asked for prayers for **Bob** as he had a heart catheterization procedure last Thursday.

**Judy Snowden** requested prayer for **Billy Ray Godfrey Sr.** who has cancer.

**Janet Martin** reported to us that she and **Dick** were not able to bring **his mother** to Corsicana because the insurance would not pay for the facilities here. They were, however, able to arrange for her to have 24-hour care where she lives.

Please pray for **Judy Byerly** as she heals from ulcers caused by her chemo treatments.

Our prayers are needed for **Tom Russell** who had a stroke. He will begin hospital rehab soon to help him with his walking and also to retrain his eyes so they track properly. Also pray for **Marlene** as she helps him through this time.

**Pat Holiday** needs our prayers during this **Kairos Weekend**. Pray for the **42 men** involved and for the helpers.

**Merle Hughes nephew Ethan Avery Hughes** has a rare form of leukemia and the prognosis is not good. However he has a good attitude. Also, **Ethan's father** has lost his job. Pray for the entire family.

**Merle Hughes** had to go to the ER recently and will need to have more tests to see what is going on with her. **Patsy and Van Wagnon** are caring for her.

**Ruth Robbins** asks for prayers for the **Carl and Donna Greely Family**. **Donna** recently died from leukemia. **Faye Robbins** is not well, **Thomas Q. and Ruth** are taking care of her.

**Joel Robbins** has been hospitalized recently at Ft. Hood for breathing problems. It was discovered he had an injury to his vocal chords and will need to learn how to breathe properly. Pray for his swift recovery.
