CHILDREN'S EASTER EVENT

Please feed our Food Bin in the Narthex.

On Tuesday, March 26th, the **FOOD FORUM** met here at Lakeside and on the menu was *Sweet and Savory Crepes* as well as *Homemade Chicken Noodle Soup*.

The Forum participants broke in our new stoves (!) and made some delicious crepes, crushing the myth that making those things is hard work. Stuffed into those heavenly bites were sweet things like jams, fruits and crème. For the savory side, they made ham with provolone cheese crepes and some savory chicken crepes with melted cheese. After that the chicken bones and such all went into the pot to make chicken soup. Food Forum participants receive the recipes, instruction and the food to make 3 delicious, wholesome meals for their families. The Forum meets every fourth Tuesday of the month at 10 am. Come watch and learn!

**JOYS:**

Happy 29th wedding anniversary to **Ruth and T.Q. Robbins. Congratulations!**

**Sandi Davis** thanked the congregation for all their prayers for her and **her daughter** during the diagnosing of her daughter's tumors. The tumors are benign! Praise the Lord.

**Maria Grace** reported that the **infant** in their **son-in-law's family** that we have been praying for is now 2 months old, at home & doing well.

**Mary Jo Isenberg** loves to see all the **smiling faces** at church, who are so welcoming! She thanks them all and wishes **everyone** a blessed week!

We are grateful that **Jessica, daughter of Nancy & David Grosshans**, was treated for blood clots in her leg. Quick action on Jessica's part, a hospital stay and the correct medication will take care of the situation.

Bea Kelley's cousin, Eldon Holt, experienced a miracle. He was on life support, and woke up a new man! Praise the Lord and thank you for your prayers!

**CONCERNS:**

**We grieve for the Cornish Family: Kay & Bob Cornish lost their daughter, Sherri, last week.** Sherri was suffering from ALS.

**Diane Jones' sister, Jan**, is recovering from a shoulder injury sustained in a hit and run car accident on Tuesday. An illegal alien with drugs in a F250 truck ran a red light and totaled her car. Witnesses chased him until police could arrest him.

Please continue your prayers for **Roxie Steinberg**, a long-time friend of **Ruth and Thomas Q.** Roxie has been discharged from the hospital and is now on palliative care at home. She needs our prayers as does her family.

**Sherry Cappallo** would like prayers for **Larry Sharpe** who is being treated for brain tumors.

**Pam Tenbroeck's father** is under hospice at home. Please keep them in your prayers.

**Norma Bryant**, first wife of **Pat Metcalf** with whom he is still friends, had a son who recently took his own life. Pray for peace for her and the **family**.

Prayers are needed for **Connie Wolf** as she recovers from foot surgery. Connie must stay off her foot for four more weeks. Connie also asks for prayers for her daughter, **Vickie**, who is having a colonoscopy this week. She has been undergoing a year-long regime of treatment and it is hoped this test will show progress.

Here is a joy and a concern: **Philip and Mei Jones (Tom Jones' cousin and wife)** are expecting twins after IVF.

Prayers are needed for **Brittany Chambers, Demetrius Chambers, and their daughter Leila** so they can maintain their friendship while living separate lives.

**TODAY is UMCOR Sunday.** Please prayerfully consider contributing to UMCOR (United Methodist Committee on Relief). UMCOR is first on the scene of many natural disasters around the world and at present is helping those affected by Cyclone Idai.

**Answer the call  
to pray...**

**Tuesday, April 1, 11 am Corley Chapel in Streetman** We are praying for our local area. We are partnering with the Fairfield First Methodist Church to pray for our community. Our community is plagued with problems of drugs, crime, poverty and injustices. Join us in prayer. We are praying for a spiritual outpouring that will heal our land and grant wholeness in every area of our community. We acknowledge our problems with drugs, crime, and poverty. We desire for individuals to be brought into the kingdom of God's dear Son.
