JOYS:

We thank God for the beautiful weather we've been able to enjoy this past week. Weather predictions for the weekend are not good—but we shall see what comes!

CONCERNS:

We pray for continued healing for **Faye Robbins**, as anemia has complicated her condition.

Sandi Davis has a new leg injury and we pray for her.

We keep **Billy Bankston** and **Leon Mobley** in our prayers.

Waymon and Jean Hughen are closer to a moving date, we are sorry to lose such a wonderful couple.

Betsy Metcalf asks for your prayers, as she has injured her spine and is having problems walking.

Pastor and Ruth Robbins have started their packing, we understand that they will be moving to their house in Groesbeck. We pray for a smooth transition to their new home and we will help whenever and where ever we can!

Making Crepes

Our monthly Food Forum gathers together those dealing with mouths to feed and small food budgets. Through instruction making easy to prepare and delicious to eat meals, we can help those in our own community in a way that shows our care and concern.

Bon Appetit!

The Cooking Forum Closing Prayer

Bless, O Lord, this food for our use and us to Thy service; and keep us ever mindful of the value of our family, friends, and neighbors that we might live the greatest commandment, to love one another. Amen

Annual Conference is June 9th-12th. Every church that has been active with the District's Wildly Important Goals (WIG) and has received funding to make it happen was asked to provide a picture of happenings. These pictures will be blown up and shown at the Annual Conference. We received funding for our Food Forum and the Bus Brigade. We provided a picture of activity at our Food Forum, pictured left. We thank all the people that worked to make this ministry a wonderful success.
