Dear Community Business Owner,

At Park Glen Elementary, we are excited to be a part of a community that cares about the education and well-being of the children in our area. As members of the local PTA, we work to unite the school, families and community members. The Park Glen PTA provides academic extensions, hosts events for family enrichment and enables opportunities for student leadership growth. In addition to the programs, we are also able to assist the school with technology purchases. We know that these programs help set children up for a brighter future.

In the coming year our PTA will provide programs to our students and families that reflect our goal of enriching our Park Glen Cheetah community, such as:

- Cheetah Math
- Reading Olympics
- Dads Club Events
- Reflections
- Reindeer Store
- ALLSTARS
- Family Movie Night

Our PTA works to build relationships with the administration and faculty at the school and we continually reach out to the families of our students. This year we are hoping to add another piece of the puzzle. YOU are our connection to the community around our school. We would like to invite you to join Park Glen PTA for the 2017-2018 school year. Your partnership with PGE PTA will benefit the children at Park Glen Elementary, not only through your initial monetary donation, but also through your potential involvement during the school year. By joining, you will have the opportunity to participate in PTA meetings and serve on committees if you choose. We will issue a certificate of membership for you to display in your business and offer advertising options based on your chosen membership level. Park Glen PTA is a 501c non-profit organization and your support is tax deductible. We look forward to partnering with you this year as we work together to back the future! Park Glen Elementary is thankful for your support. For more information please contact PTA president, Mandee Clark or Membership Chair, Sherry Fox.

Sincerely,

Mandee Clark
