The Travelling Juniors

Coach Marc and our Elite Juniors completed the second International Tour of the season. All players made the main draw of the singles and doubles events in San Salvador, Aurora Pedwell having the best results reaching the 3rd Round in singles and 2nd round in doubles.

During week 2 in Guatemala City, Sarah Rubinstein battled her way to victory in the qualifiers to earn a shot in the main draw.

Aurora continued her success by reaching the Quarter finals in singles and doubles! Meanwhile, Liam Spiers earned a spot into the top 16 with a 6-1, 6-0 victory over home town favourite Javier Pemeuller from Guatemala!

In the end, our players gained international experience and even some international ranking points! The Elite Program will travel again in the new year as they prepare for Indoor Nationals and continue to climb the ranks in International Tennis!

DEAR MEMBER AND REGISTERED PLAYERS

We are excited to announce that Tennis Academy has partnered up with Visual ClubMate in order to bring you a new range of services and features.

Coming soon in 2020, we are launching our new online client portal which will allow you to quickly:

- Book tennis courts and lessons
- Pay for memberships and court fees
- Purchase products and other services
- Easily manage your account and payment options
- Read the latest club news and announcements

We also hope that you will enjoy our new booking buddy system. This will allow you to quickly add other members to your court bookings. Once you have selected your court, the new booking buddy's system will minimize the players available to you for selection based on your customized profile of members that you play with. This will also greatly increase your security and privacy.

For more information or questions please feel free to contact our staff, either directly at the front desk or via email or phone.

What to Watch For...

We are upgrading our booking software in 2020 and it's gonna be amazing!

Watch for our notices containing [more info](#) in the new year!
