YOU ALWAYS HAVE OPTIONS IF YOU HAVE BALLS

Iron Balls Gin is meticulously crafted at
A R. Sutton & Co Engineers micro distillery - in the heart of Bangkok.

Production is extremely limited, for this reason master distiller Ash Sutton chooses to use the best possible ingredients available and in-turn craft an artisan spirit that is beyond measure.

- Quality over quantity - as the saying goes.

Iron Balls Gin is handmade from fermentation to distillation using freshly cracked coconuts and pineapples with hints of juniper, hillside ginger and lemongrass. A great refreshing gin & tonic served on ice with fresh slices of pineapple, basil and a squeezed lime.
