NE MINNEAPOLIS = HOME

Although we can not yet share exact details about where our home will be, we can share that **we have narrowed our options down to two sites, both in Northeast Minneapolis!** We hope to have more details to share very soon, but the final decision about our location will

hinge on how our 2018-19 enrollment shapes up. Finding a school site has been quite an adventure, but we are extremely excited to join the vibrant, creative community of *Northeast*!
