

2019 -20 Phase 1 Enrollment Application Form

Thank you for your interest, and for completing this enrollment application form as Phase 1 of the student enrollment process! **This form must be completed in full by an adult for NEW students only.** Submitting this form indicates that your child plans to attend The Studio School. It does not obligate you to accept an enrollment offer, and completing it will not un-enroll your child at their current school.

After you submit this form, a school representative will notify you that your child is enrolled at The Studio School, and provide instructions for completing Phase 2 of the enrollment process.

PLEASE NOTE: If you are enrolling more than one student, you must complete a form for each person. There must be a separate form on file for each prospective student.

ADMISSIONS POLICY

We are a tuition-free, public charter school open to any Minnesota high school student who is serious about developing or practicing skills for expressing themselves creatively while participating in rigorous and expansive liberal arts and service-learning programs. For the 2019-20 school year, any student entering 9th grade-11th grade who qualifies for public education in the state of Minnesota, and submits a timely application can attend The Studio School. We practice an open admissions process to give all eligible students an opportunity to attend regardless of race, national origin, ethnicity, gender, gender identity or expression, sexual orientation, religious affiliation, language proficiency, physical or mental ability, or academic or other achievement. We limit admission only by grade level and class size capacity.

LOTTERY INFORMATION

The Studio School Board of Directors will assess if an admissions lottery is needed as applications are collected through May 31, 2019. If a lottery is required to provide equal opportunity to all students who apply, the lottery will be held on June 5, 2019. Notices about the lottery will be announced via email to all applicants, published on the school's website, and conducted in a public forum. After the lottery, students who are not accepted will be placed on a waiting list, and will be offered admission as circumstances permit. We will continue to enroll students on an ongoing basis whether a lottery is conducted on June 5, 2019 or not. Should we reach our full capacity of 100 students for the 2019-20 school year after the lottery is conducted, student applications for enrollment will continue to be collected, and students will be placed on our waiting list in the order we receive their application. The Studio School shall only give enrollment preference to a sibling of an enrolled pupil and to a foster child of that pupil's parents, and may give preference for enrolling children of the school's staff and Board of Directors before accepting other pupils by lot. Students will be placed in the lottery by grade.
