

**FAIR prices**  
**reliable SERVICE**  
**BRAND independent**

We are the only independent and local Australian service provider to supply high quality spare parts, maintenance service, and a full repair and reconditioning service to the Australian Marine and Power Industry.

We specialise on all needs and services around centrifuges, separators and purifiers for Fuel Oil, Lubrication Oil, Oily Water, Hydraulic Oil, Diesel and Sludge dewatering and Waste Water clarification.

We provide gaskets and replacement plates for Plate Heat Exchangers, and offer full onshore cleaning and rebuilding with pressure-test certificates.

**SPARE PARTS**  
**MAINTENANCE**  
**REPAIR & REBUILD**

CentriTech is an independent Engineering, Parts and Service provider to the Australian MARINE, OIL&GAS and POWER Operators.

We source all spare parts from the most reputable European suppliers with decades of experience in reverse engineering and manufacturing of all hard and soft parts to OEM specifications.

The founders of CentriTech have a combined experience of over 20 years of work in the field of centrifuges and separators with the leading market global brands before making their move in 2015 to establish CentriTech Pty Ltd in VIC.
